Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law (Pub. L.) 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes new information collections, revisions to OMB-approved information collections and extensions (no change) of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the Agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize the burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and the SSA Reports Clearance Officer to the addresses or fax numbers listed below.

1. *Farm Arrangement Questionnaire—20 CFR 404.1082(c)—0960-0064.* When self-employed workers submit earnings data to SSA, they cannot count rental income from a farm unless they demonstrate "material participation" in the farm's operation. A material participation arrangement means the farm owners who are seeking to have earnings counted by SSA must perform a combination of physical duties, management decisions, and capital investment in the farm they are renting out. In such cases, SSA uses form SSA-7157, the Farm Arrangement Questionnaire, to document material participation. The respondents are workers who are renting farmland to other people and who are involved in the operation of the farm and want to claim countable income from their work there.

Type of Request: Extension of an OMB-approved information collection
Number of Respondents: 38,000.

Frequency of Response: 1.

Average Burden Per Response: 30 minutes.

Estimated Annual Burden: 19,000 hours.

2. *Application for Benefits under a U.S. International Social Security Agreement—20 CFR 404.1925—0960-0448.* When SSA enters into international Social Security agreements between the United States and foreign countries, applicants can file for benefits from one country. This can constitute an application for benefits from the other country, provided the applicants express the intent to claim benefits from the other country at the time of the initial application. SSA refers to these agreements as Totalization agreements. SSA uses Form SSA-2490-BK to collect information to determine eligibility for Social Security benefits from the United States or from a country that has entered into a Social Security agreement with the United States. The respondents are individuals who are applying for old-age, survivors or disability benefits from the U.S. or from a Totalization agreement country.

Type of Request: Extension of an OMB-approved information collection.
