The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law (Pub. This notice includes new information collections, revisions to OMB-approved information collections and extensions (no change) of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the Agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize the burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and the SSA Reports Clearance Officer to the addresses or fax numbers listed below.

1. *Farm Arrangement Questionnaire—20 CFR 404.1082(c)—0960-0064.* When self-employed workers submit earnings data to SSA, they cannot count rental income from a farm unless they demonstrate "material participation" in the farm's operation. A material participation arrangement means the farm owners who are seeking to have earnings counted by SSA must perform a combination of physical duties, management decisions, and capital investment in the farm they are renting out. In such cases, SSA uses form SSA-7157, the Farm Arrangement Questionnaire, to document material participation. The respondents are workers who are renting farmland to other people and who are involved in the operation of the farm and want to claim countable income from their work there.

This can constitute an application for benefits from the other country, provided the applicants express the intent to claim benefits from the other country at the time of the initial application. SSA refers to these agreements as Totalization agreements. SSA uses Form SSA-2490-BK to collect information to determine eligibility for Social Security benefits from the United States or from a country that has entered into a Social Security agreement with the United States. The respondents are individuals who are applying for old-age, survivors or disability benefits from the U.S. or from a Totalization agreement country.

SSA uses this information to evaluate the recipient's plan and to determine eligibility under the provisions of the SSI program. 1. *Statement Regarding Marriage, 20 CFR 404.726—0960-0017.* Some State laws recognize marriages entered into without a ceremony (common-law marriages). Representative payees must account to SSA on how they use these payments on their beneficiaries' behalf. SSA collects this information on Forms SSA-623 (for adult beneficiaries), SSA-6230 (for child beneficiaries), and SSA-6234 (organizational repayees). **Rescinding the Notice of Intent for an Environmental Impact Statement: Boulder, Broomfield, and Jefferson Counties, CO**

**AGENCY:** Federal Highway Administration.

**ACTION:** Notice.

**SUMMARY:** This notice rescinds the Notice of Intent for preparing an Environmental Impact Statement that was issued on July 21, 2003, for a proposed transportation improvement project in Boulder, Broomfield, and Jefferson Counties, Colorado. The action is being taken because there are no federal or state funds identified to make the proposed transportation improvements in the corridor for the next 20 years. It is not known when federal or state funds may become available for these improvements therefore an Environmental Impact Statement will not be prepared until further notice.

**FOR FURTHER INFORMATION CONTACT:** Ms. Monica Pavlik, Senior Operations Engineer, FHWA, Colorado Division, 12300 West Dakota Avenue, Suite 180, Lakewood, CO 80228, Telephone: (720) 963-3012. Mr. William McDonnell, Project Engineer, Colorado Department of Transportation Region 6, 2000 South Holly Street, Denver, Colorado 80222, Telephone: (303) 757-9914.

**SUPPLEMENTARY INFORMATION:** The Federal Highway Administration (FHWA) in cooperation with the Colorado Department of Transportation (CDOT) initiated an Environmental Impact Statement (EIS) with a Notice of Intent July 21, 2003, for an improved connection between the western terminus of the Northwest Parkway in Broomfield County and the SH 58, 1-70, or C-470 freeway systems to the south in Jefferson County. This corridor is referred to as the Northwest Corridor. The FHWA and CDOT have determined that while major transportation improvements in the northwest Denver metropolitan area are needed, federal, state, or other funds are not available to meet these needs in the foreseeable future. Much work has been completed towards an EIS for this corridor and can
