

Section 19(b)(3)(A) of the Act¹¹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹²

The Exchange has asked the Commission to waive the operative delay to permit the proposed rule change to become operative prior to the 30th day after filing. The Commission has determined that waiving the 30-day operative delay of the Exchange's proposal is consistent with the protection of investors and the public interest and will promote competition because such waiver will allow CBOE to continue the existing Pilot without interruption.¹³ Therefore, the Commission designates the proposal operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

[Release No. 34-58044; File No. SR-DTC-2008-02]

Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to the Deposits Service Guide

June 26, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on May 2, 2008, The Depository Trust Company ("DTC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by DTC. DTC filed the proposed rule change pursuant to

Section 19(b)(3)(A)(iii) of the Act² and Rule 19b-4(f)(4) thereunder³ so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change clarifies DTC's Regular Custody Services procedures regarding the handling of non-negotiable securities that require additional legal documentation.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, DTC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. DTC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The proposed rule change clarifies a provision relating to Legal Deposits as set forth in the "Regular Custody Services" section of the DTC Deposits Service Guide ("Guide"). Specifically, DTC is amending a section of the Guide to clarify that when DTC holds non-negotiable certificates that are missing additional legal documentation, DTC will hold such certificates in its custody until: (1) The certificates are made negotiable by a subsequent document deposit or (2) the participant instructs DTC to return the certificates in a manner directed by that participant.

DTC states that the proposed rule change is consistent with the requirements of Section 17A of the Act⁴ and the rules and regulations thereunder because it clarifies an existing procedure in DTC's rules relating to securities certificates held by DTC on behalf of its participants and thus promotes the safeguarding of securities which are in the custody or control of DTC or for which it is responsible.

¹² 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to provide the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has fulfilled this requirement.

¹³ For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

B. Self-Regulatory Organization's Statement on Burden on Competition

DTC does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

DTC has not solicited or received written comments relating to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act⁵ and Rule 19b-4(f)(4)⁶ thereunder because the proposed rule effects a change in an existing service of DTC that (i) does not adversely affect the safeguarding of securities or funds in the custody or control of DTC or for which it is responsible and (ii) does not significantly affect the respective rights or obligations of DTC or persons using the Regular Custody Services. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58025; File No. SR-FICC-2008-02]

Self-Regulatory Organizations; Fixed Income Clearing Corporation; Order Approving Proposed Rule Change To Require Demand Processing for Blind-Brokered Repo Trades

June 25, 2008.

I. Introduction

On April 9, 2008, the Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") proposed rule change SR-FICC-2008-02 pursuant to Section 19(b)(1) of the Securities

Exchange Act of 1934 ("Act").¹ On May 14, 2008, the Commission published notice of the proposed rule change to solicit comments from interested parties.² The Commission received no comment letters in response to the proposed rule change as filed. For the reasons discussed below, the Commission is approving the proposed rule change.

II. Description

1. Background

In 2001, the Government Securities Clearing Corporation ("GSCC"), the GSD's predecessor, redesigned its comparison rules and procedures soon after the introduction of the real-time trade matching system. At that time, GSCC also moved the timing of its settlement guaranty from the point of netting to the point of comparison, which was much earlier in the day. In designing these changes, GSCC's goal was to provide straight through processing by providing for easy identification and resolution of uncomparated trades intraday in order to achieve 100 percent comparison. These changes reduced risk by ensuring that more transactions were compared and guaranteed by the clearing corporation earlier in the day so that intraday credit exposure to counterparties was minimized.

As part of the redesign of the GSCC comparison rules, GSCC introduced Demand Comparison, which was a new type of comparison that was created to provide members with flexibility and control over the comparison process for trades executed via intermediaries.³ Demand Comparison strikes a balance between "bilateral comparison" (the traditional form of comparison), where each member is required to submit trade data to the clearing agency in order for the clearing agency to compare the trade, and "locked-in comparison," where the trade is submitted as a compared trade to the clearing agency by one side or by one intermediary.⁴

Demand Comparison entails submission of trade data by approved intermediaries (e.g., brokers) called "Demand Trade Sources." FICC deems a trade submitted for Demand Comparison to be compared upon FICC's receipt of the trade data from the Demand Trade Source. However, if a
