**OFFICE OF PERSONNEL
MANAGEMENT**

**Submission for OMB Review;
Comment Request for Review of a
Revised Information Collection: OPM
Form 1644; Child Care Provider
Information for the Child Care Subsidy
Program for Federal Employees: OMB
No. 3206-0240**

AGENCY: Office of Personnel
Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces the Office of Personnel Management (OPM) has submitted to the Office of Management and Budget (OMB) a request for review of a revised information collection for the OPM Form 1644. Approval for the OPM Form 1644, Child Care Provider Information for the Child Care Subsidy Program for Federal Employees, is used to verify that child care providers are licensed or regulated by local or State authorities, as appropriate. Section 630 of Public Law 107-67, which was enacted on November 12, 2001, permits Federal agencies to use appropriated funds to help their lower income employees with their costs for child care provided by a contractor licensed or regulated by local or State authorities, as appropriate. Therefore, agencies need to verify that child care providers to whom they make disbursements in the form of child care subsidies meet the statutory requirement.

Approximately 3500 OPM 1644 forms will be completed annually. We

estimate it will take 10 minutes to complete the OPM Form 1644. The annual estimated burden is 333.3 hours.

**SECURITIES AND EXCHANGE
COMMISSION**

**Proposed Extension of Existing
Collection; Comment Request**

*Upon Written Request, Copies Available
From:* U.S. Securities and Exchange
Commission, Office of Investor

Washington, DC 20549-0213.

Extension:

Rule 17a-10, OMB Control No. 3235-0122,
SEC File No. 270-154.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in the following rule: Rule 17a-10—Report on revenue and expenses (17 CFR 240.17a-10) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Paragraph (a)(1) of Rule 17a-10 generally requires brokers and dealers that are exempted from the requirement to file monthly and quarterly reports pursuant to paragraph (a) of Exchange Act Rule 17a-5 (17 CFR 240.17a-5) to file with the Commission the Facing Page, a Statement of Income (Loss), and balance sheet from Part IIA of Form X-17A-5¹ (17 CFR 249.617), and Schedule I of Form X-17A-5 not later than 17 business days after the end of each calendar year.

Paragraph (a)(2) of Rule 17a-10 requires a broker or dealer subject to Rule 17a-5(a) to submit Schedule I of

¹ Form X-17A-5 is the Financial and Operational Combined Uniform Single Report ("FOCUS Report"), which is used by brokers and dealers to provide certain required information to the Commission.

Form X-17A-5 with its Form X-17A-5 for the calendar quarter ending December 31 of each year.

Paragraph (b) of Rule 17a-10 provides that the provisions of paragraph (a) do not apply to members of national securities exchanges or registered national securities associations that maintain records containing the information required by Form X-17A-5 and which transmit to the Commission copies of the records pursuant to a plan which has been declared effective by the Commission.

The primary purpose of Rule 17a-10 is to obtain the economic and statistical data necessary for an ongoing analysis of the securities industry.

As originally adopted in 1968, Rule 17a-10 required brokers and dealers to provide their revenue and expense data on a special form. The Rule was amended in 1977 to eliminate the form. The data previously reported on the form is now reported using Form X-17A-5 and its supplementary schedules.

The Commission estimates that approximately 500 broker-dealers will spend an average of approximately 12 hours per year complying with Rule 17a-10. Thus, the total compliance burden is estimated to be approximately 6,000 burden-hours per year.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Comments should be directed to R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312 or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: June 26, 2008.

Florence E. Harmon,

Acting Secretary.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension: Rule 17f-5, SEC File No. 270-259, OMB Control No. 3235-0269.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit the existing collection of information to the Office of Management and Budget for extension and approval.

Rule 17f-5 under the Investment Company Act of 1940 (15 U.S.C. 80a) ("Investment Company Act" or "Act") governs the custody of the assets of registered management investment companies ("funds") with custodians outside the United States.¹ Under Rule 17f-5, the fund's board of directors must find that it is reasonable to rely on each delegate it selects to act as the fund's foreign custody manager. The delegate must agree to provide written reports that notify the board when the fund's assets are placed with a foreign custodian and when any material change occurs in the fund's custody arrangements. The delegate must agree to exercise reasonable care, prudence, and diligence, or to adhere to a higher standard of care. When the foreign custody manager selects an eligible foreign custodian, it must determine that the fund's assets will be subject to reasonable care if maintained with that custodian, and that the written contract that governs each custody arrangement will provide reasonable care for fund assets. The contract must contain certain specified provisions or others that provide at least equivalent care. The foreign custody manager must establish a system to monitor the contract and the appropriateness of continuing to maintain assets with the eligible foreign custodian.

The collection of information requirements in rule 17f-5 are intended to provide protection for fund assets maintained with a foreign bank custodian whose use is not authorized

by statutory provisions that govern fund custody arrangements,² and that is not subject to regulation and examination by U.S. regulators. The requirement that the fund board determine that it is reasonable to rely on each delegate is intended to ensure that the board carefully considers each delegate's qualifications to perform its responsibilities. The requirement that the delegate provide written reports to the board is intended to ensure that the delegate notifies the board of important developments concerning custody arrangements so that the board may exercise effective oversight. The requirement that the delegate agree to exercise reasonable care is intended to provide assurances to the fund that the delegate will properly perform its duties.

The requirements that the foreign custody manager determine that fund assets will be subject to reasonable care with the eligible foreign custodian and under the custody contract, and that each contract contain specified provisions or equivalent provisions, are intended to ensure that the delegate has evaluated the level of care provided by the custodian, that it weighs the adequacy of contractual provisions, and that fund assets are protected by minimal contractual safeguards. The requirement that the foreign custody manager establish a monitoring system is intended to ensure that the manager periodically reviews each custody arrangement and takes appropriate action if developing custody risks may threaten fund assets.

The Commission's staff estimates that each year, approximately 159 registrants³ could be required to make an average of one response per registrant under rule 17f-5, requiring approximately 2 hours of board of director time per response, to make the necessary findings concerning foreign custody managers. The total annual burden associated with these requirements of the rule would be up to approximately 318 hours (159 registrants × 2 hours per registrant). The staff further estimates that during each year, approximately 15 global custodians⁴ would be required to make an average of 4 responses per custodian concerning the use of foreign custodians other than depositories. The staff

² See section 17(f) of the Investment Company Act (15 U.S.C. 80a-17(f)).

³ This figure is an estimate of the number of new funds each year, based on data reported by funds in 2007 on Form N-1A and Form N-2 (17 CFR 274.101). In practice, not all funds will use foreign custody managers, and the actual figure may be smaller.

⁴ This estimate is based on staff research.
