SUPPLEMENTARY INFORMATION:

I. Background

Section 221(a) of Title II, Chapter 2 of the Trade Act of 1974, as amended by the Trade Act of 2002, authorizes the Secretary of Labor and the Governor of each state to accept petitions for certification of eligibility to apply for adjustment assistance. The petitions may be filed by a group of workers, their certified or recognized union or duly authorized representative, employers of such workers, one-stop operators or one-stop partners. ETA Form 9042A, Petition for Trade Adjustment Assistance and Alternative Trade Adjustment Assistance, and its Spanish

translation, ETA Form 9042A-1, Solicitud De Asistencia Para Ajuste, establish a format that may be used for filing such petitions.

Sections 222, 223 and 249 of the Trade Act of 1974, as amended, require the Secretary of Labor to issue a determination for groups of workers as to their eligibility to apply for Trade Adjustment Assistance (TAA). After reviewing all of the information obtained for each petition for Trade Adjustment Assistance filed with the Department, a determination is issued as to whether the statutory criteria for certification are met. The information collected in ETA Form 9043a, Business Confidential Data Request, ETA Form 9118, Business Confidential Non Production Questionnaire, and ETA Form 8562a, Business Confidential Customer Survey, will be used by the Secretary to determine to what extent, if any, increased imports or shifts in production have impacted the petitioning worker group.

II. Review Focus

ETA is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

SUPPLEMENTARY INFORMATION:

Background

Section 7(e)(3)(b) of the Fair Labor Standards Act permits the exclusion from an employee’s regular rate of pay, payments on behalf of an employee to a “bona fide” thrift or savings plan, profit-sharing plan or trust. Regulations, 29 CFR Parts 547 and 549 set forth the requirements for what constitutes a “bona fide” thrift or savings plan, profit-sharing plan or trust. The maintenance of the records required by the regulations enables Department of Labor investigators to determine whether contributions to a given thrift or savings plan, profit-sharing plan or trust may be excluded in calculating the regular rate of pay for overtime purposes in compliance with section 7(e)(3)(b) of the FLSA. Without these records, such a determination could not be made. This information collection is currently approved for use through February 28, 2009.
