### Background

On March 5, 2008, the Department of Commerce ("the Department") published a notice for the preliminary results of the administrative review of the antidumping duty order on heavy forged hand tools from the People's Republic of China, covering the period February 1, 2006, through January 31, 2007. See *Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, From the People's Republic of China: Preliminary Rescission of Antidumping Duty Administrative Review*, 73 FR 11867 (March 5, 2008). The final results for this administrative review are currently due no later than July 3, 2008.

### Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published.

The Department requires additional time to properly consider the issues raised in case briefs from interested parties such as the proper labeling of certain products as noted in the verification findings of the third-country reseller.

Thus, it is not practicable to complete these reviews within the original time limit. Therefore, the Department is extending the time limit for completion of the final results of this review by 60 days, in accordance with section 751(a)(3)(A) of the Act. The final results are now due no later than September 2, 2008.<sup>1</sup> We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 2, 2008.

<sup>1</sup> Sixty days from July 3, 2008, is September 1, 2008. However, Department practice dictates that where a deadline falls on a federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Act*, 70 FR 24533 (May 10, 2005).

The period of review for this administrative review is June 1, 2006 to May 31, 2007.

### Extension of Time Limits for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), and section 351.213(h)(1) of the Department's regulations, the Department shall issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides that the Department shall issue the final results of review within 120 days after the date on which the notice of the preliminary results was published in the *Federal Register*. In the instant review, the Department finds that the current deadline for the final results of July 7, 2008, is not practicable. The Department requires additional time to review and analyze

interested party comments related to alleged transshipment of Chinese-origin silicon metal through Canada.
