to a copy of the entire ICR package free of charge once the package is submitted to OMB for review. You can access this ICR at <http://www.reginfo.gov/public/>.

**SUPPLEMENTARY INFORMATION:**

*Title:* Proposed Sale of Concession Operations (36 CFR part 51, subpart J).

*Bureau Form Number (s):* None.

*OMB Control Number:* 1024-0126.

*Expiration Date:* April 30, 2009.

*Type of Request:* Extension of a currently approved collection of information.

*Description of Need:* The National Park Service (NPS) authorizes private businesses known as concessioners to provide necessary and appropriate visitor facilities and services in areas of the National Park System. Concession authorizations may be assigned, sold, transferred or encumbered by the concessioner subject to prior written approval of the NPS. The NPS requires that certain information be submitted for review prior to the consummation of any sale, transfer, assignment, or encumbrance.

16 U.S.C. 3 provides that no contract, lease, permit or privilege granted for the purpose of providing accommodations for visitors to the national parks shall be assigned or transferred by such grantees, permittees, or licenses without the approval of the NPS, first obtained in writing. It further provides that the NPS may authorize concessioners to execute mortgages and issue bonds, shares of stock, and other evidences or interest in or indebtedness upon their rights, properties and franchises, for the purposes of installing, enlarging, or improving plants and equipment and extending facilities for the accommodation of the public within national parks and monuments. 16 U.S.C. 20(3) also provides that the possessory interest of a concessioner may be assigned, transferred, encumbered, or relinquished. Regulations at 36 CFR, part 51, require that certain information be submitted for review by the NPS prior to the consummation of any sale, transfer, assignment or encumbrance.

The information requested is used to determine whether or not the proposed transaction will result in decreased services to the public, the lack of a reasonable opportunity for profit over the remaining term of the authorization, or rates in excess of existing approved rates to the public. In addition, pursuant to the regulations at 36 CFR, Part 51, the value of rights for intangible assets such as the concession contract, right of preference in renewal, user days, or low fees belong to the Government. If any portion of the purchase price is

attributable either directly or indirectly to such assets, the transaction may not be approved. The amount and type of information to be submitted varies with the type and complexity of the proposed transaction. Without such information, the NPS would be unable to determine whether approval of the proposed transaction would be adequate. Concessioners' obligation to respond is required to retain or obtain benefits.

*Automated data collection:* No automated data collection will take place.

*Description of respondents:* Businesses or other for-profit, individuals or households, not-for-profit institutions.

*Estimate average number of respondents:* 20.

*Estimated average time burden per respondent:* 80 hours.

*Estimated average number of responses:* 20.

*Frequency of response:* Once per respondent.

*Estimated total annual reporting burden:* 1,600 hours.

Comments are invited on: (1) The practical utility of the information being gathered; (2) the accuracy of the burden hour estimate; (3) ways to enhance the quality, utility, and clarity of the information being collected; and (4) ways to minimize the burden to respondents, including use of automated information collection techniques or other forms of information technology. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: June 10, 2008.

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Consent Decree Under the Safe Drinking Water Act

Notice is hereby given that on June 30, 2008, a proposed Consent Decree (the "Decree") in *United States v. Town of Newburgh, New York*, Civil Action

No. 08 Civ. 5902 (SCR) was lodged with the United States District Court for the Southern District of New York.

In a complaint, filed simultaneously with the Decree, the United States alleged that, between 2005 and 2007, the drinking water system owned and operated by the Town of Newburgh (the "Town") violated the Safe Drinking Water Act, 42 U.S.C. 300f, *et seq.*, and its implementing regulations in several respects. First, the United States alleged that the Town repeatedly exceeded maximum contaminant levels for certain disinfectant byproducts, namely haloacetic acids. The United States further alleged that the Town failed to comply with an Administrative Order issued by the United States Environmental Protection Agency ("EPA") requiring the Town to monitor drinking water quality and report the monitoring results to the Orange County Department of Health. The lawsuit also charged that the Town had failed to provide the required notice to the public on each occasion that the Town's drinking water exceeded the maximum contaminant levels for disinfectant byproducts.

Pursuant to the Decree, the Town shall construct a water treatment facility to filter the drinking water it draws from the Delaware Aqueduct, the Town's principal water source. The Decree requires the Town to complete construction of the facility by May 1, 2013, pursuant to a schedule of 29 interim construction milestones.

The Decree further requires the Town to implement a number of interim measures to protect the quality of its drinking water until the Town has fully complied with the long term construction of the water treatment facility. For example, the Decree mandates ongoing monitoring of the water that the Town obtains from the Delaware Aqueduct for contaminants, as well as monthly reporting of the monitoring data to EPA, the State of New York and Orange County. Under the Decree, the Town's water must also meet water quality standards applicable to water systems that are not required to install treatment facilities.

The Town will pay a \$100,000 civil monetary penalty to the United States pursuant to the Decree. The Town must also implement three environmental projects to improve the water quality in and around the Town. Specifically, the Town will purchase and maintain vacant undeveloped real properties around the Chadwick Lake Reservoir, an alternate drinking water source for the Town, in order to protect the watershed. The Town will also connect residential and commercial properties in the Town

along North Carpenter Avenue and West Stone Street to the City of Newburgh's sanitary sewer system. This project will prevent waste in septic systems from discharging directly into the ground and, in some cases, running above ground to other water bodies in the area, such as Orange Lake and tributaries to the Hudson River. In addition, the Town agreed to replace existing catch basins connected to pipes that discharge into Orange Lake with new catch basins equipped to prevent sediment and floatable debris from flowing into the lake. The value of these supplemental environmental projects is estimated at \$912,000.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Town of Newburgh, New York*, D.J. Ref. 90-5-1-1-08838.

The Decree may be examined at the Office of the United States Attorney, 86 Chambers Street, 3rd Floor, New York, New York 10007, and at U.S. EPA Region 2, Office of Regional Counsel, 290 Broadway, New York, New York 10007-1866. During the public comment period, the Decree may also be examined on the following Department of Justice Web site, [http://www.usdoj.gov/enrd/Consent\\_Decrees.html](http://www.usdoj.gov/enrd/Consent_Decrees.html).

A copy of the Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood ([tonia.fleetwood@usdoj.gov](mailto:tonia.fleetwood@usdoj.gov)), fax no. (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$4.75 (25 cents per page reproduction cost) payable to the U.S. Treasury or, if by e-mail or fax, forward a check in that amount to the Consent Decree Library at the stated address.

### Notice of Settlement Agreement

In accordance with Departmental Policy, 28 CFR 50.7, notice is hereby given of a proposed settlement agreement in *In re Jack R. Bennett*, to obtain injunctive relief and impose civil penalties against Jack R. Bennett for alleged violations of Clean Water Act sections 301(a) and 404, 33 U.S.C. 1311, 13411, by discharging fill material without a permit into wetlands adjacent to the Neuse River in Goldsboro, North Carolina.

The proposed Settlement Agreement resolves these allegations by requiring Jack R. Bennett to restore the impacted area and to pay a civil penalty. The Department of Justice will accept written comments relating to this proposed Settlement Agreement for thirty (30) days from the date of publication of this Notice. Please address comments to Neal I. Fowler, Assistant United States Attorney, United States Attorney's Office, Terry Sanford Federal Building, 310 New Bern Avenue, Suite 800, Raleigh, North Carolina 27601-1461, and refer to *In re Jack R. Bennett*, United States District Court for the Eastern District of North Carolina, DJ # 90-5-1-1-18297.

The proposed Settlement may be viewed at [http://www.usdoj.gov/enrd/Consent\\_Decrees.html](http://www.usdoj.gov/enrd/Consent_Decrees.html).
