Abstract: The U.S. Department of Education is requesting approval for the Application for Assistance under Section 8003 of Title VIII of the Elementary and Secondary Education Act (ESEA) as amended by No Child Left Behind (NCLB). This application is otherwise known as Impact Aid Basic Support Payments. Local Educational Agencies (LEAs) whose enrollments are adversely affected by Federal activities use this form to request financial assistance. Regulations for the Impact Aid Program are found at 34 CFR 222. The statute and regulations for this program require a variety of data from applicants annually to determine eligibility for the grants and the amount of grant payment under the statutory formula. The least burdensome method of collecting this required information is for each applicant to submit these data through a web-based electronic application hosted on the Department of Education's e-Grants Web site. This application was previously approved under OMB 1810–0036, along with a separate application for Section 8002, payments for Federal property, another distinct formula that requires different data from applicant LEAs. To facilitate more efficient clearance processes for both applications this year and in future years, the Department is separating these two applications into two paperwork approval packages. The Section 8002 application will be submitted under the OMB 1810–0036 number that both applications previously have been cleared under. There are no substantive changes to this application. The Department of Education is requesting renewal of its three-year clearance under a new collection number.

Requests may also be electronically mailed to *ICDocketMgr@ed.gov* or faxed to 202–401–0920. Please specify the complete title of the information collection when making your request.

Comments regarding burden and/or the collection activity requirements should be electronically mailed to *ICDocketMgr@ed.gov.* Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339.
