The CSMAC's charter allows it to have up to 20 members. Current members of the CSMAC are not required to submit applications in order to be reappointed; however, reappointments are not automatic. Appointments are for two-year terms, subject to continuation of the CSMAC under its charter. NTIA intends to seek renewal of the current charter, which expires March 27, 2009.

The Secretary of Commerce will appoint members with a broad cross-section of points of views from the private and non-federal government sectors. The Department of Commerce seeks high level individuals with expertise in those sectors and interests on spectrum policy issues relevant to the CSMAC.

Nominations should include a resume or curriculum vita and should also include a statement summarizing the qualifications of the nominee and identifying any particular expertise or area of interest relevant to the CSMAC's work.
