Background: As indicated above, this notice concerns the final of three annual reports that the USTR requested the Commission provide concerning factors affecting trade patterns of selected industries in SSA countries. In the initial request letter of July 26, 2006, the USTR described the type of information that the Commission should provide in its reports with respect to each industry and identified the industries and products produced to be covered in the first annual report. The letter indicated that USTR would provide additional lists of industries and products produced for each of the second and third annual reports. The letter asked that the Commission deliver its three reports by April 3, 2007, April 3, 2008, and April 3, 2009, respectively. The

Commission published notice of institution of this investigation in the **Federal Register** on August 29, 2006 (71 FR 51212), and delivered its first and second reports to USTR on April 3, 2007 and April 3, 2008, respectively.

On June 30, 2008, the Commission received a supplemental letter from the USTR requesting that the Commission provide, in its third report, an analysis of the effect that conditions in key infrastructure sectors have on the export competitiveness of select SSA industries, particularly but not limited to, industries considered in the previous two reports. The USTR asked that the Commission's analysis include a brief overview of the effect of infrastructure conditions generally, and a more in-depth analysis of the effect of conditions in infrastructure sectors (land transport, maritime transport, and electricity) that were identified by the Commission in the previous two reports as having a significant effect on the export competitiveness of many SSA industries. To address the effect of conditions in these infrastructure sectors on the export competitiveness of SSA industries, the Commission's report may include analysis with respect to the following industries: (1) In the agriculture sector, coffee, shea butter, and tropical fruits (e.g., bananas and pineapples); (2) in the mining and manufacturing sector, natural rubber and downstream products thereof, textiles and apparel, and leather; and (3) in the services sector, tourism services.

Public Hearing: A public hearing in connection with this investigation will be held beginning at 9:30 a.m. on October 28, 2008, at the United States International Trade Commission Building, 500 E Street, SW., Washington DC. Requests to appear at the hearing should be filed with the Secretary no later than 5:15 p.m., October 1, 2008, in accordance with the requirements in the "Written Submissions" section below. In the event that, as of the close of business on October 1, 2008, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any person interested in attending the hearing as an observer or nonparticipant may call the Secretary to the Commission (202-205-2000) after October 1, 2008, for information concerning whether the hearing will be held.

Written Submissions: In lieu of or in addition to participating in the hearing, interested parties are invited to submit written statements or briefs concerning this investigation. All written submissions, including requests to appear at the hearing, statements, and briefs, should be addressed to the

Secretary. Any pre-hearing statements or briefs should be filed not later than 5:15 p.m., October 7, 2008; and post-hearing statements and briefs and all other written submissions should be filed not later than 5:15 p.m., November 4, 2008. All written submissions must conform with the provisions of section 201.8 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.8). Section 201.8 of the rules requires that a signed original (or a copy designated as an original) and fourteen (14) copies of each document be filed. In the event that confidential treatment of the document is requested, at least four (4) additional copies must be filed, in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). The Commission's rules do not authorize filing submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the rules (see *Handbook for Electronic Filing Procedures*, http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf); persons with questions regarding electronic filing should contact the Secretary at 202-205-2000. Any submissions that contain confidential business information must also conform with the requirements of section 201.6 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information be clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available in the Office of the Secretary to the Commission for inspection by interested parties.

In the initial request letter (and reaffirmed in her letter of June 30, 2008), the USTR stated that her office intends to make the Commission's reports in this investigation available to the public in their entirety, and asked that the Commission not include any confidential business or national security information in its reports. Consequently, the reports that the Commission sends to the USTR will not contain any such information. Any confidential business information received by the Commission in this investigation and used in preparing its reports will not be published in a manner that would reveal the operations of the firm supplying the information.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Clean Water Act

Notice is hereby given that on July 31, 2008, a proposed Consent Decree (the "Decree") in *United States v. Bacardi Corporation*, Civil Action No. 3:08-cv-1825 was lodged with the United States District Court for the District of Puerto Rico.

In a complaint, filed simultaneously with the Decree, the United States charged that Bacardi Corporation ("Bacardi") violated the Clean Water Act, 33 U.S.C. 1251 *et seq.*, at its facility in Cataño, Puerto Rico ("Facility") by discharging pollutants in excess of effluent limitations contained in its National Pollutant Discharge Elimination System ("NPDES") Permit No. PR0000591, by failing to report results of sampling conducted by Bacardi, including violations of effluent limitations, and by failing to conduct toxicity testing and report the results of such testing as required by NPDES Permit No. PR0000591.

Pursuant to the Decree, Bacardi will implement a number of compliance measures, including enhanced monitoring of certain pollutants in the Facility's effluent and developing and implementing a plan of action to address exceedances of the effluent limitations for bacterial pollutants. If Bacardi exceeds any effluent limitation prior to termination of the Decree, such exceedance may trigger a requirement to implement further compliance measures.

Bacardi will pay a \$550,000 civil monetary penalty to the United States pursuant to the Decree. Bacardi must also carry out a land preservation supplemental environmental project, the value of which is estimated at approximately \$1,000,000. Specifically, Bacardi will transfer title to a parcel of land containing wetlands, located in the watershed of Cienega Las Cucharillas in Cataño, Puerto Rico, to a non-profit group, and require the attachment of deed restrictions, covenants and/or easements to ensure the land is perpetually maintained as a protected area. This land preservation project will assist in restoring the ecosystem, provide environmental and public health protection, and enable the

ecological resources of Cienega Las Cucharillas and nearby mangrove forest and wetland areas to be maintained and protected to ensure future environmental benefits.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Bacardi Corporation*, D.J. Ref. 90-5-1-1-08983.

The Decree may be examined at the Office of the United States Attorney, Torre Chardón, Room 1201, 350 Chardón Street, San Juan, Puerto Rico 00918, and at U.S. EPA Region 2, Office of Regional Counsel, 290 Broadway, New York, New York 10007-1866. During the public comment period, the Decree may also be examined on the following Department of Justice Web site, http://www.usdoj.gov/enrd/Consent_Decrees.html. A copy of the Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood (tonia.fleetwood@usdoj.gov), fax no. (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$14.25 (25 cents per page reproduction cost) payable to the U.S. Treasury or, if by e-mail or fax, forward a check in that amount to the Consent Decree Library at the stated address.
