

component securities will be readily ascertainable by a third party because the Index Composition Methodology will be publicly available.

6. In addition, although the Index Provider may change the rules of the Index Composition Methodology in the future, applicants state that any change to the Index Composition Methodology would not take effect until the Index Provider has given the Calculation Agent (defined below) and the public at least 60 days prior written notice of the change, disclosed on the Web site of the Index Provider. The "Calculation Agent" is the entity that will implement the Index Composition Methodology, calculate and maintain the Hard Assets Indexes, and calculate and disseminate the values of the Hard Assets Indexes. The Calculation Agent is not and will not be an affiliated person (as defined in the Act), or an affiliated person of an affiliated person, of the Trust, the Adviser, any Sub-Adviser, the Distributor, or a promoter of a New Fund.

7. Applicants also state that the Adviser and the Index Provider have adopted policies and procedures designed to prevent the dissemination and improper use of non-public information in a manner similar to firewalls. The Adviser has adopted written policies and procedures in accordance with rule 206(4)-7 under the Advisers Act, including procedures designed to prevent and detect the misuse of material non-public information and its Code of Ethics, as required under rule 17j-1 under the Act and rule 204A-1 under the Advisers Act, which contains provisions reasonably necessary to prevent Access Persons (as defined in rule 17j-1) from trading on the basis of, improperly disseminating or otherwise engaging in any improper use of nonpublic information. Applicants state that the Index Provider has adopted a code of ethics forbidding its personnel, including Rogers, from trading on the basis of, improperly disseminating or otherwise engaging in any improper use of nonpublic information.

8. Applicants state that the New Funds will operate in a manner identical to the operation of the Current Funds under the Prior Order, except as specifically noted by applicants (and summarized in this notice). The New Funds will comply with all of the terms and conditions of the Prior Order as amended by the present application. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58265; File No. SR-Amex-2008-63]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing of Proposed Rule Change Relating to the Relocation of Equities Trading After the Acquisition of the Exchange by NYSE Euronext

July 30, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 28, 2008, the American Stock Exchange LLC ("the Amex" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is submitting this rule filing in order to implement the relocation (the "Equities Relocation") of all equities trading conducted on or through the Amex's systems and facilities to the trading systems and facilities operated by NYSE Market, Inc., ("NYSE") in connection with the acquisition of the Amex's parent corporation, The Amex Membership Corporation, by NYSE Euronext. In connection with such acquisition, the Amex will be renamed NYSE Alternext U.S. LLC ("NYSE Alternext").

The text of the proposed rule change is available at the Amex's principal office, the Commission's Public Reference Room, and <http://www.amex.com>.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In order to implement the Equities Relocation, the Exchange proposes to amend its existing rules as needed and to adopt, subject to such changes as are necessary to apply the rules to the Exchange, NYSE Rules 1-1004 applicable to transactions conducted on NYSE systems and facilities and governing the off-floor conduct of members and member organizations.³

Background and Post-Merger Structure

As described more fully in the rule filing concerning the Mergers,⁴ upon completion of the Mergers, the Amex will become one of the U.S. Regulated Subsidiaries⁵ of NYSE Euronext and will continue to operate as a national securities exchange registered under Section 6 of the Act.⁶ Following the Mergers, the name of the new exchange will be NYSE Alternext U.S. LLC.⁷

Following the Mergers, the Exchange will relocate all equities trading currently conducted on the Exchange legacy trading systems and facilities located at 86 Trinity Place, New York,

³ In connection with the series of mergers (the "Mergers"), the Exchange has submitted related rule filings concerning changes to its corporate governance structure. See SR-Amex-2008-62 (defining Mergers). The Exchange intends to submit additional rule filings addressing its rules and procedures for certain legacy disciplinary matters, equity listing requirements and procedures, and ETF delisting rules. The NYSE and the Financial Industry Regulatory Authority, Inc. ("FINRA") will also be submitting companion filings concerning membership issues, and the NYSE will be submitting a related rule filing to amend NYSE Rule 18.

⁴ See SR-Amex-2008-62.

⁵ The term "U.S. Regulated Subsidiary" is defined under Article VII, Section 7.3(G) of the Bylaws of NYSE Euronext.

⁶ 15 U.S.C. 78f.

⁷ See SR-Amex-2008-62. For the avoidance of doubt, NYSE Alternext U.S. LLC will be a separate self regulatory organization from NYSE Euronext's European-market subsidiary, NYSE Alternext.

New York (the "86 Trinity Trading Systems"), to the NYSE trading systems and facilities located at 11 Wall Street, New York, New York (the "NYSE Alternext Trading Systems"). The NYSE Alternext Trading Systems will be operated by the NYSE on behalf of the Exchange. Similarly, the Exchange will relocate all options trading currently conducted on the 86 Trinity Trading Systems to new facilities of the Exchange to be located at 11 Wall Street, which facilities will utilize a trading system based on the options trading system used by NYSE Arca, Inc. ("NYSE Arca") (the "Options Relocation," and, together with the Equities Relocation, the "Relocations").⁸ Prior to completion of the Relocations, all trading on the 86 Trinity Trading Systems will continue to be governed by the existing Amex Rules, as amended pursuant to the Mergers. Upon completion of the Relocations, these legacy Amex Rules will be rescinded by the Exchange.

In connection with the Mergers, and after the Equities Relocation, the Exchange will trade all equities securities, as well as certain derivative products, currently listed on the Exchange on the NYSE Alternext Trading Systems.⁹

The Exchange expects to discontinue the listing and trading of, including trading on an unlisted trading privileges ("UTP") basis, exchange traded funds ("ETFs") and certain other structured products, including index and currency warrants, and it is expected that such products will be listed and traded on NYSE Arca.¹⁰ The Exchange will also be discontinuing trading of bonds currently listed on the Exchange, and it is expected that such bonds will be traded on the NYSE BondsSM trading system. In the event that an ETF, structured product or bond issuer listed on the Exchange does not wish to move the listing to NYSE Arca or NYSE Bonds, as the case may be, such issuer would have

the opportunity to seek a listing on another market. Note, however, that it is possible that movement of these listings may not be completed by the time of the Equities Relocation, in which case such products would continue to be traded at 86 Trinity Trading Systems until the transfer of the listings can be completed.

The Exchange does not intend to cross-list any NYSE-listed securities on the Exchange and does not intend to cross-list any Exchange-listed securities on the NYSE. The Exchange may in the future trade securities listed on other exchanges on a UTP basis, subject to certain technical adjustments to the NYSE Alternext Trading Systems necessary to support such trading.¹¹ The Exchange will not trade NYSE-listed securities on a UTP basis and will not trade pursuant to UTP any securities that might in the future be traded on the NYSE pursuant to UTP.

As proposed in the rule filing concerning the Mergers, immediately following the closing of the Mergers, those persons and entities who were authorized to trade on the Amex before the closing of the Mergers, including Amex (i) owners, lessees or nominees of Regular Members or Options Principal Members ("OPMs"), (ii) limited trading permit holders, and (iii) associate members, will be deemed to have satisfied applicable qualification requirements necessary to trade in NYSE Alternext's demutualized marketplace and will be issued trading permits (referred to as "86 Trinity Permits") at no cost. The 86 Trinity Permit will authorize owners, lessees or nominees of Amex Regular Members, OPMs, limited trading permit holders and associate members who were authorized to trade on the Amex immediately before the Mergers, to continue to trade on the 86 Trinity Trading Systems. Holders of the 86 Trinity Permits will be able to apply for an NYSE Alternext equities license or options trading permit upon the Equities and Options Relocations, as applicable. After the Equities Relocation, a holder of an 86 Trinity Permit will only be able to trade products other than those that have migrated to the NYSE Alternext Trading Systems. After the Options Relocation, the 86 Trinity Permits will be canceled.¹²

The Exchange anticipates that the Equities Relocation will occur as soon

as reasonably practicable following the date of the Mergers and that the Options Relocation will occur at or around February 2009. The transfer of ETFs, bonds and other structured products will be accomplished as soon as practicable after the closing of the Merger.

Proposed Rule Changes

Adoption of NYSE Rules 1–1004 as the NYSE Alternext Equities Rules

The Exchange proposes to adopt NYSE Rules 1–1004 as the "NYSE Alternext Equities Rules."¹³ The adoption of the NYSE Alternext Equities Rules is necessary in order to conduct the equities business of the Exchange on the NYSE Alternext Trading Systems, since such rules reflect the market structure and features of the NYSE Alternext Trading Systems. Following the Equities Relocation, the NYSE Alternext Equities Rules would govern all equity transactions conducted on the NYSE Alternext Trading Systems. Because NYSE Alternext Trading Systems will be operated by the NYSE on behalf of the Exchange, the NYSE Alternext Equities Rules will be substantially identical to the existing NYSE Rules, subject to certain changes necessary to apply such rules to the Exchange.

In addition, the Exchange will require all those who register to become NYSE Alternext equities members to also become both NYSE members and FINRA members. To avoid unnecessary regulatory duplication, the Exchange proposes to adopt in substantially their current form the NYSE's member firm conduct rules (NYSE Rules 300–460), which govern the off-floor conduct of members and member organizations. Many of these rules were adopted by FINRA in 2007 as "Common Rules" pursuant to the 17d–2 Agreement between NYSE and FINRA.

The proposed NYSE Alternext Equities Rules are set forth in Exhibit 5 and are summarized below.¹⁴ A blackline comparison of the current NYSE Rules and the NYSE Alternext Equities Rules is attached as Exhibit 3A, together with a blackline of certain Amex Rules imported into the NYSE

⁸ The Exchange will submit a separate rule filing to adopt a new rule set to govern NYSE Alternext options trading following the Options Relocation.

⁹ Following the Equities Relocation, certain securities currently listed and traded on the Amex will be transferred to NYSE Alternext but will not be eligible to trade on NYSE Alternext pursuant to the sub-penny trading condition set forth in proposed NYSE Alternext Equities Rule 123D(3). Trading in such securities will be routed to NYSE Arca and will be handled in accordance with the rules governing that market.

¹⁰ On the Exchange, some members registered to engage in market making in ETFs on the floor of the Exchange or to supplement the market making of those registered as specialists in those products. When those products are no longer traded on the Exchange, current Amex members who concentrate in market making in such products will be able to apply to become NYSE Arca ETP holders and to move their business activities to the NYSE Arca trading systems and facilities.

¹¹ The NYSE does not currently trade any securities on a UTP basis.

¹² See SR-Amex-2008-62. In addition, as described in greater detail herein, upon the Relocations NYSE Alternext will recognize former Amex members as either NYSE Alternext member organizations or members, as applicable.

¹³ The Exchange has taken NYSE Rules 1–1004 in the form they existed as of July 18, 2008, and adopted them with modifications as described in this filing. Any changes to relevant NYSE Rules that have been implemented by the NYSE subsequent to that date, but before the effective date of the Mergers, will be incorporated by the Exchange as soon after the close of the Mergers as is practicable, but not later than the date of the Equities Relocation.

¹⁴ For ease of reference, the Exchange has retained the numbering of the NYSE Rules in the NYSE Alternext Rule set.

Alternext Equities Rules, attached as Exhibit 3B.

Summary of the Proposed NYSE Alternext Equities Rules

Amex Rule 0 and NYSE Alternext Equities Rule 0

The Exchange proposes the adoption of operative Amex Rule 0 to prescribe how trading will be conducted on the Exchange following the Mergers. For the period of time following the Equities Relocation and prior to the Options Relocation, options trading will continue to occur on the 86 Trinity Trading Systems.¹⁵

Proposed Amex Rule 0 prescribes that, following the Mergers:

- All transactions conducted on or through the 86 Trinity Trading Systems will continue to be governed by the legacy rules of the Exchange, including Amex Rules 1–1605, Amex Company Guide and AEMI Rules 1–1500 (including Section 910 of Amex Company Guide), as amended (collectively, the “86 Trinity Rules”);
- All transactions conducted on or through the NYSE Alternext Trading Systems shall be governed by the “NYSE Alternext Equities Rules.”

In addition, the Exchange proposes to adopt NYSE Alternext Equities Rule 0 prescribing that all trading conducted on the NYSE Alternext Trading Systems shall be governed by the NYSE Alternext Equities Rules, except to the extent any 86 Trinity Rules are specifically designated as applying.

Proposed Amex Rule 0 and NYSE Alternext Equities Rule 0 also provide that existing NYSE Rules 475–477, to be adopted by the Exchange as Disciplinary Rules 475–477, will apply to all NYSE Alternext members and member organizations and will govern trading on both the 86 Trinity and NYSE Alternext Trading Systems.¹⁶

Following the completion of the Options Relocation, the 86 Trinity Rules, including Amex Rule 0, will no longer be operative and will be rescinded by the Exchange.

Summary of Modifications to NYSE Rules as Adopted

As described above, the Exchange proposes to adopt as the NYSE Alternext Equities Rules NYSE Rules 1–1004, subject to a few substantive modifications. These proposed

modifications are summarized in the bullets below and set forth in more detail in the chart that follows:

- Incorporation of three legacy Amex Rules into the NYSE Alternext Equities Rules, either to replace an existing NYSE Rule that is expected to be substantially amended in the near future (Amex Rules 135A and 193 substituted as NYSE Alternext Equities Rules 128 and 98, respectively) or, in one instance (Amex Rule 60–AEMI), to supplement the NYSE Alternext Equities Rules where there is no corresponding NYSE Rule (*see* NYSE Alternext Equities Rule 60A);

- Modifications to reflect the different nature of the businesses of NYSE and Amex members and member organizations, including net capital requirements and certain fees (*see* NYSE Alternext Equities Rules 103.10, 104.20–.24 and 129);

- Changes to address post-merger corporate and/or market structural issues, including changing the definitions of “Exchange” and “Floor” (*see* NYSE Alternext Equities Rules 1, 6 and 112), adding a provision to physically segregate the trading of NYSE Alternext Equities-listed securities from NYSE-listed securities on the Exchange Floor at 11 Wall (*see* NYSE Alternext Equities Rule 103B), and other such changes (*see* NYSE Alternext Equities Rules 2A, 18, 20–22, 28, 37, 46, 123E and 422);

- Changes to modify and/or remove rules related to ETFs, bonds and other structured products that will not trade on the NYSE Alternext Trading Systems (*see* NYSE Alternext Equities Rules 13, 36, 51, 55, 61, 65, 72, 79A, 85, 86, 103B, 104.10, 104B, 105, 119, 123D, 342, 414, 431, 460 and 1002);

- Changes to modify and/or remove rules that are obsolete, irrelevant or otherwise inapplicable to the use of the NYSE Alternext Trading Systems, including rules related to (i) the ITS System and the NMS Linkage Plan (*see* NYSE Alternext Equities Rules 13, 15A, 16, 17T, 45, 47, 52, 54, 60, 61, 79A, 90, 92–96, 104A, 115, 123, 123C, 123D, 900, 1000, 1002, 11Ac1–1);¹⁷ (ii) program or “basket” trading (*see* NYSE Alternext Equities Rules 36, 92, 96, 104.11A, 104.11B, 800 series); (iii) Registered Competitive Market Makers, Competitive Traders and Registered

Options Representatives or Principals (*see* NYSE Alternext Equities Rules 36, 107A, 110, 111, 123, 132B, 345, 408, 900); (iv) the Medallion Signature program (*see* NYSE Alternext Equities Rule 200); (v) arbitration (*see* NYSE Alternext Equities Rules 600 series); (vi) options trading (*see* NYSE Alternext Equities Rules 431, 700 series); and (vii) other obsolete or inapplicable references (*see* NYSE Alternext Equities Rules 12, 13, 35, 38, 60, 61, 76, 90, 104, 115A, 122, 123D, 126, 132B, 168, 189, 274, 350, 407, 451, 452, 497, 1000).¹⁸

In addition to the above-noted changes, the Exchange proposes adopting rules governing member organizations that are closely modeled on the existing NYSE membership rules, including rules defining member and member organizations (NYSE Alternext Equities Rule 2), governing the admission of members and member organizations (NYSE Alternext Equities Rules 300–308), the formation and approval of member organizations (NYSE Alternext Equities Rule 311), changes within member organizations (NYSE Alternext Equities Rule 312), and submission of partnership articles and corporate documents (NYSE Alternext Equities Rule 313) (collectively, the proposed “NYSE Alternext Equities Member Organization Rules”). The Exchange recognizes that the NYSE Alternext Equities Member Organization Rules may impose different or additional requirements than the current Amex rules concerning membership and that, post-Merger, there may be NYSE Alternext members or member organizations holding an 86 Trinity Permit that would not immediately qualify for membership under the NYSE Alternext Equities Rules.¹⁹

The Exchange proposes that, upon the effective date of this rule filing (*e.g.*, “Day 2”), all NYSE Alternext member organizations shall continue to be approved as NYSE Alternext member organizations, notwithstanding whether they meet the standards of the NYSE Alternext Equities Member Organization

¹⁸ The Exchange understands that, subsequent to the Mergers, the NYSE intends to submit a filing to make conforming changes to remove these obsolete or inapplicable references from the NYSE Rules.

¹⁹ As described in Section II herein, by operation of the related corporate governance “Day 1” filing, all Amex members will become members of NYSE Alternext upon the effective date of the Mergers. *See* SR–Amex 2008–62. In accordance with the Mergers, the Exchange will certify to the NYSE and FINRA that all such transferring members met the Amex’s minimum membership standards at the time they were approved for membership and that nothing has come to the attention of the Exchange that would disqualify any of these members.

¹⁵ The Exchange will make a separate rule filing to adopt a new rule set to govern options trading following the Options Relocation.

¹⁶ In addition, a rule change proposal to adopt Disciplinary Rule 478T, which will govern the temporary disciplinary procedures applicable to certain legacy disciplinary proceedings, will be filed shortly pursuant to Section 19(b) of the Act.

¹⁷ The Exchange understands that the NYSE intends to submit a rule filing proposing identical rule changes to the NYSE Rules pursuant to removal of the ITS System and the NMS Linkage Plan which are no longer in operation. *See* e-mail from Claire P. McGrath, Senior Vice President and General Counsel, Amex to Sarah Albertson, Attorney, Division of Trading and Markets, Commission, dated July 29, 2008 (modifying footnote language).

Rules at that time.²⁰ This approval would be conditioned upon the member organization meeting the requirements of the NYSE Alternext Equities Member Organization Rules within a grace period of six months from the date that the member organization receives its NYSE Alternext equities trading license in exchange for a valid 86 Trinity Permit. As described in proposed Rule 300.10T, the Exchange would revoke a member organization's approval to trade

if it fails to meet the requirements of the NYSE Alternext Equities Member Organization Rules by the close of the grace period. The Exchange would also reserve the right to commence proceedings to terminate such a member organization's membership, if applicable.

The Exchange further proposes that NYSE Alternext members be provided a grace period of six months within which to meet proposed NYSE Alternext

Equities Rule 304A requirements to pass an examination requirement by the Exchange. The Exchange believes that this grace period should begin to run from the date that the individual member transfers to the NYSE Alternext Trading Systems, which may be a later date than the Equities Relocation.

The specific changes to each NYSE Rule as proposed for the NYSE Alternext Equities Rules are listed below.

CHANGES TO EXISTING NYSE RULES IN THE PROPOSED NYSE ALTERNEXT EQUITIES RULES

After-Hours Trading on NYSE Alternext

As with equities trading during regular trading hours, NYSE Alternext will provide after-hours trading using the trading systems and facilities of the NYSE. Pursuant to the Equities Relocation, Crossing Session I (described below) will be provided to the Exchange’s members and any trades executed therein will print as an NYSE Alternext execution. Crossing Session II will not be offered as a separate trading facility to members of the Exchange. The NYSE has indicated that Crossing Sessions III and IV, which were established as pilot programs, will be allowed to lapse at the end of their current authorization and thus the Exchange will not offer these Crossing Sessions to its members.²¹

Crossing Session I, from 4:15 p.m. to 5 p.m., is for the execution of closing-price (single-sided or coupled) orders and Good Til Cross orders:

- Closing-price orders are orders to buy or sell a security at its closing price; orders may be single-sided or coupled, so long as both sides of a coupled order are not proprietary (see NYSE Alternext Equities Rule 902(a)(ii));

- Good ‘Til Cross (GTX) orders are Good ‘Til Cancelled Orders (GTC) that have been designated as “Off-Hours eligible” for execution in after-hours Crossing Session I. GTX orders that are marketable at or better than the closing price migrate from the specialist’s limit order book to Crossing Session I (see NYSE Alternext Equities Rule 902(b)).²²

²¹ See Securities Exchange Act Release No. 57213 (January 28, 2008), 73 FR 6540 (February 4, 2008) (SR-NYSE-2008-07). The NYSE’s pilot program for Crossing Sessions III and IV is set to expire on February 1, 2009.

²² A GTC Order is an order to buy or sell that remains in effect until it is either executed or cancelled. See proposed NYSE Alternext Rule 13. Unless designated as a GTX Order, a GTC Order will not execute in the after-hours facilities of the

Trades entered in Crossing Session I are executed at the closing price on the Exchange; there are no new quotes or pricing during Crossing Session I. Partially or wholly unexecuted closing-price orders expire at the end of the after-hours trading sessions.²³ Any GTX orders that remain partially or wholly unexecuted at the close of after-hours trading on the Exchange move back to the specialist’s limit order book for trading the next business day as GTC orders. Prior to execution in Crossing Session I, a member may cancel any closing-price or migrated GTX orders.²⁴

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the requirements of the Exchange Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.²⁵ The Exchange believes that its proposal is consistent with and furthers the objectives of Section 6(b) of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act,²⁶ in particular, in that it would create a trading and regulatory structure that is designed to promote just and equitable principles of trade, prevent fraudulent and manipulative acts and practices, remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, protect investors and the public interest.

The Exchange believes that, pursuant to the Mergers, the separation and relocation of the Exchange’s equities

Exchange and will remain on the Book until the start of trading the next business day.

and options trading operations to the NYSE and NYSE Arca trading systems and facilities, respectively, will enhance its ability to provide quality products and services to its customers. The Exchange also believes that, with a dual market structure and diversified business model, it will ensure its ability to compete in the marketplace. The Mergers should also permit the new entity to improve its technology and engage in value-enhancing transactions designed to facilitate its long-term success.

The Exchange does not believe that the proposed change to a for-profit institution will undermine its responsibilities for regulating its marketplace. As described above, following the Mergers the regulatory functions of the Exchange will be carried out by NYSE Regulation, whose status as a not-for-profit entity will facilitate the Exchange in managing conflicts between its business and regulatory objectives, maintaining regulatory standards and complying with its obligations as a registered national securities exchange and self-regulatory organization.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from persons or entities that trade on the Exchange or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding, or (ii) as to which the Amex consents, the Commission will:

(A) By order approve such proposed rule change; or
