Notice of Lodging of Consent Decree Under the Clean Water Act and the Resource Conservation and Recovery Act

Notice is hereby given that on August 7, 2008, a proposed Consent Decree ("Decree") in *United States v. Republic Dumpco, Inc., et al.*, Civil Action No. 2:08-cv-01024 (D. Nev.) was lodged with the United States District Court for the District of Nevada.

The civil action relates to the Sunrise Mountain Landfill in Las Vegas,

Nevada. In this action the United States sought to obtain injunctive relief and assessment of civil penalties against Republic Dumpco, Inc. and Republic Silver State Disposal Inc. (doing business as Republic Services of Southern Nevada) (hereinafter "Republic Services of Southern Nevada"), for alleged violations of the Clean Water Act ("CWA"), 33 U.S.C. 1251-1387. The complaint also states claims for damages for trespass against all three defendants, and breach of contract and violations of permits against Clark County.

The proposed Decree would require Republic Services of Southern Nevada to pay \$1 million as a civil penalty, and to implement a comprehensive closure of the Landfill estimated to cost \$36.3 million, including storm water controls, upgrades to the cover, methane gas collection, groundwater monitoring, and long-term operation and maintenance. In addition, Clark County agrees to accept ownership of the landfill from the United States Bureau of Land Management. The Consent Decree resolves the violations alleged in the complaint. In addition, the United States grants a covenant not to sue for the Landfill under Section 7003 of RCRA, and under sections 106 and 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. 9606 and 9607.

3M Touch Systems; A Subsidiary of 3M, Electro & Communications Division, Milwaukee, WI; Notice of Affirmative Determination Regarding Application for Reconsideration

By application Dated July 30, 2008, a company official requested administrative reconsideration of the negative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA) applicable to workers and former workers of the subject firm. The determination was issued on July 16, 2008. The Notice of Determination was published in the **Federal Register** on July 30, 2008 (73 FR 44284).

The initial investigation resulted in a negative determination based on the finding that imports of touch screens for mobile phones did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.

In the request for reconsideration, the petitioner provided additional information about the customers of the subject firm.

The Department has carefully reviewed the request for reconsideration and the existing record and has

determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 1st day of August 2008.

Elliott S. Kushner,

Certifying Officer, Division of Trade Adjustment Assistance.
