BILLING CODE 4910-13-P

RAILROAD RETIREMENT BOARD

20 CFR Part 295

RIN 3220-AB61

Payments Pursuant to Court Decree or Court-Approved Property Settlement

AGENCY: Railroad Retirement Board.

ACTION: Final rule.

SUMMARY: The Railroad Retirement Board (Board) amends its regulations concerning partition of annuities pursuant to a court decree or court-approved property settlement in order to incorporate provisions of the Pension Protection Act of 2006, to make corrections in the existing regulation, and to update the regulation to reflect changes in titles within the agency.

DATES: This rule will be effective August 13, 2008.

ADDRESSES: Beatrice Ezerski, Secretary to the Board, Railroad Retirement Board, 844 N. Rush Street, Chicago, Illinois 60611-2092.

FOR FURTHER INFORMATION CONTACT:

Marguerite P. Dadabo, Assistant General Counsel, (312) 751-4945, TTD (312) 751-4701.

SUPPLEMENTARY INFORMATION:

Retirement and disability annuities under the Railroad Retirement Act are composed of independently calculated segments known as tiers. The tier I amount combines both railroad and non-railroad earnings, and is calculated using social security benefit formulas. The tier II amount is calculated under different formulas, generally representing railroad earnings alone. In addition, some annuitants receive a dual benefit component based on non-railroad wages earned through December 1974, or in some cases, through an earlier date. Finally, career railroad employees may receive a supplemental annuity ranging from \$23 to \$43 per month.

Under section 14(b) of the Railroad Retirement Act, the non-tier I portion of a railroad retirement annuity may be characterized as property subject to partition in a proceeding for divorce, annulment, or legal separation. Prior to August 17, 2007, the effective date of the Pension Protection Act of 2006, Public Law 109-280, a partition payment would terminate upon the death of either the railroad employee or the former spouse, whichever occurred first, unless the court order provided for termination at an earlier date. Section 1003 of Public Law 109-280 amended the Railroad Retirement Act to provide that a partition payment will only terminate upon the employee's death when the court order requires such termination. Consequently, unless the court order requires termination of payments upon the employee's death, tier II partition payments to divorced spouses may now continue beyond the employee's death. While the change in law does not allow for the reinstatement of payments terminated prior to August 17, 2007, due to the death of the employee prior to that date, the change does mean that any divorced spouse who was getting a partition payment as of that date may continue to be paid a tier II partition amount.

The Board amends Part 295 of its regulations to reflect the changes made by Public Law 109-280, to reflect changes in certain titles of agency employees, and to correct or clarify certain references. Specifically, the Board amends section 295.1, which explains the purpose of Part 295, to incorporate a reference to Public Law 109-280. Section 295.1(b)(3) is modified to clarify references to certain annuity

increases under section 3(f) of the Railroad Retirement Act.

Section 295.2 is amended to include a separate new definition of former spouse and a revised separate definition of spouse.

Section 295.4(a) is amended by the addition of a new subparagraph (4) to specify that unless a court order expressly provides otherwise, a partition order will be applied to any annuity paid to an employee, whether the employee has retired based on age or based on disability.

The phrase "pertaining to the employee" is added to the end of the second sentence of section 295.4(c) and to the end of the first sentence in section 295.4(d)(2) in order to clarify that the Board's records concerning the railroad employee will be reviewed to determine the most current address for each party to a partition order.

A new subparagraph (4) is added to section 295.5(f) to reflect the amendment made by Public Law 109-280 that allows continued payment of a partition tier II to a former spouse if the railroad employee dies on or after August 17, 2007. Paragraphs 295.5(a) and 295.5(f) are amended to include a reference to the new subparagraph (4).

A new subparagraph (2) is added to section 295.7(e) to clarify that an erroneous payment to the employee may occur if the Board has all required documentation and due to clerical oversight fails to withhold the amount awarded by a court partition order.

Finally, references to "Deputy General Counsel" and to the "Associate Executive Director for Retirement Claims" throughout Part 295 are changed to "General Counsel" and "Director of Retirement Benefits" respectively in order to reflect title changes within the agency. Several minor corrections of capitalization and grammar are also made.

The Board published the proposed rule on March 6, 2008 (73 FR 12037) and invited comments by May 5, 2008. No comments were received.

Accordingly, the proposed rule is being published as a final rule without change.

The proposed rule was determined to be a significant regulatory action and was reviewed by the Office of Management and Budget prior to its publication in the **Federal Register**. There are no changes to the information collections associated with Part 295.
