[FMR Bulletin 2008-B7]

Real Property

TO: Heads of Federal Agencies
SUBJECT: Federal Real Property Report

1. **Purpose.** This bulletin announces the FY 2007 release of the Federal Real Property Report, an overview of the U.S.

Government's owned and leased real property as of September 30, 2007.

2. **Expiration Date.** This bulletin contains information of a continuing nature and will remain in effect until canceled.

3. **Background.**

1) On February 4, 2004, the President issued Executive Order (EO) 13327, "Federal Real Property Asset Management," and established the Federal Real Property Council (FRPC) to oversee the Federal Government's asset management planning process and to improve governmentwide real property performance. The EO requires the Administrator of General Services, in consultation with the FRPC, to develop and maintain a centralized inventory database, incorporating all key elements identified by the FRPC.

2) The goals of the centralized database are to: 1) improve decision making with more accurate and reliable data; 2) provide the ability to benchmark federal real property asset performance; and 3) centralize collection of key real property data elements into one federal inventory database. The Federal Real Property Profile (FRPP) system was re-engineered in FY 2005 and further enhanced in subsequent years to meet the FRPC's information technology requirements.

3) The FY 2007 report marks the third reporting year for the governmentwide data elements designated by the FRPC as required by EO 13327. All executive branch agencies are required to submit constructed asset-level data to the FRPP on an annual basis. The FRPP is a secure, password-protected Web-based database that allows federal real property managers to update real property data online and in real time, perform historical benchmarking, produce ad hoc reports, measure performance of real property assets, and identify unneeded and underutilized assets for disposal. The Federal Real Property Report provides information regarding federal real property holdings to stakeholders.

4. **How to Obtain a Copy of the Federal Real Property Report.** The FY 2007 version of the Federal Real Property Report is posted on the GSA website at <http://www.gsa.gov/realpropertyprofile>. Hard copies of the report can be obtained by contacting the Asset Management Division (MPA), Office of Governmentwide Policy, General Services Administration, 1800 F Street, N.W., Washington, DC 20405.

5. **Further Information.** For further information, contact Stanley C. Langfeld, Director, Regulations Management Division (MPR), Office of Governmentwide Policy, General

Services Administration, at (202) 501-1737, or stanley.langfeld@gsa.gov.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Biodefense Science Board; Notification of a Public Teleconference

AGENCY: Department of Health and Human Services, Office of the Secretary.

ACTION: Notice.

SUMMARY: As stipulated by the Federal Advisory Committee Act, the U.S. Department of Health and Human Services is hereby giving notice that the National Biodefense Science Board (NBSB) will be holding a public teleconference. The meeting is open to the public.

DATES: The NBSB will hold a public teleconference on August 11, 2008. The teleconference will be held from 2 p.m. to 3 p.m. EDT. Public Conference Call-In Number is 1-888-566-5790 and the Public Password is "Monday". Participants will be asked to provide their name, title, and organization.

ADDRESSES: The conference will be conducted by phone.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing to obtain general information concerning this public teleconference should contact CAPT Leigh A. Sawyer, D.V.M., M.P.H., Executive Director, National Biodefense Science Board, Office of the Assistant Secretary for Preparedness and Response, U.S. Department of Health and Human Services, 200 Independence Ave., SW., Room 638G, Washington, DC 20201; via telephone/voice mail: 202-205-3815; fax: 202-690-7412; or e-mail at: leigh.sawyer@hhs.gov.

SUPPLEMENTARY INFORMATION: Pursuant to section 319M of the Public Health Service Act (42 U.S.C. 247d-7f) and section 222 of the Public Health Service Act (42 U.S.C. 217a), the Department of Health and Human Services established the National Biodefense Science Board. The Board shall provide expert advice and guidance to the Secretary on scientific, technical, and other matters of special interest to the Department of Health and Human Services regarding current and future chemical, biological, nuclear, and radiological agents, whether naturally occurring, accidental, or deliberate. The Board may also provide advice and guidance to the Secretary on other matters related to public health emergency preparedness and response.

Background: The purpose of the August 11, 2008 teleconference is to disclose recent activities of the Board and to ensure that the public is given an opportunity to be involved in the deliberative process of the Board on personal preparedness issues that will specifically impact the Nation. The U.S. Department of Health and Human Services is preparing to release information that will have impact on all U.S. citizens. The information involves the homestocking of antibiotics prescribed by a physician for use following an exposure to anthrax. Therefore, a special meeting of the Board is being convened to assure that the public is given the opportunity to provide comments to the Department prior to the information being released for wide-spread dissemination. There will be time for members of the public to present their comments to the Board on this subject matter. As a result of the impending release of information concerning personal preparedness, there are exceptional circumstances that prevent the normal 15 calendar days notice for this meeting. This is a special meeting of the Board. The next scheduled meeting of the Board will be announced in the **Federal Register** within the required time-frame established by the Federal Advisory Committee Act.

Availability of Materials: The agenda and other materials will be posted on the NBSB Web site at <http://www.hhs.gov/aspr/omsph/nbsb/index.html> prior to the meeting.

Procedures for Providing Public Input: Interested members of the public may submit relevant written or oral information for the NBSB to consider.

Oral Statements: In general, individuals or groups requesting an oral presentation at a public NBSB teleconference will be limited to three minutes per speaker, with no more than a total of 20 minutes for all speakers. To be placed on the public speaker list, you should notify the operator when you enter the call-in number.

Dated: August 8, 2008.

William C. Vanderwagen,

Assistant Secretary for Preparedness and Response, U.S. Department of Health and Human Services.
