Conference Call of the Total Coliform Rule Distribution System Advisory Committee—Notice of Public Conference Call**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice.

SUMMARY: Under Section 10(a)(2) of the Federal Advisory Committee Act, the United States Environmental Protection Agency (EPA) is giving notice of a conference call of the Total Coliform Rule Distribution System Advisory Committee (TCRDSAC). The purpose of this conference call is to discuss the Total Coliform Rule (TCR) revision and information about distribution systems issues that may impact water quality.

The TCRDSAC advises and makes recommendations to the Agency on revisions to the TCR, and on what information should be collected, research conducted, and/or risk management strategies evaluated to better inform distribution system contaminant occurrence and associated public health risks.

During this conference call the TCRDSAC will continue the Committee's discussions related to revisions to the draft Agreement in Principle (AIP), which includes recommended revisions to the TCR and recommendations for research and information collection to better understand and address possible public health impacts from potential degradation of drinking water quality in the distribution system.

DATES: The public conference call will be held on Wednesday, September 3, 2008 (1 p.m. to 4:30 p.m., Eastern Time (ET)). Attendees should register for the conference call to receive the call in information by calling Kate Zimmer at (202) 965-6387 or by e-mail to kzimmer@resolv.org no later than August 29, 2008.

FOR FURTHER INFORMATION CONTACT: For general information, contact Kate Zimmer of RESOLVE at (202) 965-6387. Tentative Approval and Solicitation of Request for a Public Hearing for Public Water Supply Supervision Program Revision for the Commonwealth of Puerto Rico**AGENCY:** Environmental Protection Agency.**ACTION:** Notice.

SUMMARY: Notice is hereby given that the Commonwealth of Puerto Rico is revising its approved Public Water Supply Supervision Program. The EPA has determined that these revisions are no less stringent than the corresponding Federal regulations. Therefore, the EPA intends to approve these program revisions. All interested parties may request a public hearing.

DATES: This determination to approve Puerto Rico's primacy program revision application is made pursuant to 40 CFR 142.12(d)(3). It shall become final and effective unless (1) a timely and appropriate request for a public hearing is received or (2) the Regional Administrator elects to hold a public hearing on his own motion. Any interested person, other than Federal Agencies, may request a public hearing. A request for a public hearing must be

submitted to the Regional Administrator at the address shown below by September 15, 2008. If a substantial request for a public hearing is made within the requested thirty day time frame, a public hearing will be held and a notice will be given in the **Federal Register** and a newspaper of general circulation. Frivolous or insubstantial requests for a hearing may be denied by the Regional Administrator. If no timely and appropriate request for a hearing is received and the Regional Administrator does not elect to hold a hearing on his own motion, this determination shall become final and effective September 15, 2008.

ADDRESSES: Any request for a public hearing shall include the following information: (1) Name, address and telephone number of the individual, organization or other entity requesting a hearing; (2) a brief statement of the requesting person's interest in the Regional Administrator's determination and a brief statement on information that the requesting person intends to submit at such hearing; (3) the signature of the individual making the requests or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity. Requests for Public Hearing shall be addressed to: Regional Administrator, U.S. Environmental Protection Agency—Region 2, 290 Broadway, New York, New York 10007-1866.

All documents relating to this determination are available for inspection between the hours of 9 a.m. and 4:30 p.m., Monday through Friday, at the following offices:

Puerto Rico Department of Health, Public Water Supply Supervision Program, 9th Floor—Suite 903, Nacional Plaza Building, 431 Ponce De Leon Avenue, Hato Rey, Puerto Rico 00917.
