

back and forth between lunar orbit and the lunar surface. Such a vehicle would have direct application to NASA's space exploration goals as well as the personal spaceflight industry. Additionally, the prize will help industry build new vehicles and develop the operational capacity to operate quick turnaround vertical take-off, vertical landing vehicles that will be of significant use in many facets of the commercial launch procurement market.

II. Challenge Basis and Prize Amount

To win the \$2,000,000 purse, a rocket-propelled vehicle with an assigned payload must take-off vertically, climb to a defined altitude, fly for a pre-determined amount of time, then land vertically on a target that is a fixed distance from the take-off point. After remaining at this location for a period of time, the vehicle must take-off, fly for the same amount of time, and land again on its original launch pad.

III. Eligibility

The Centennial Challenges Program has established the following language, including definitions, governing eligibility. Challenge is the Lunar Lander Challenge.

A Team is an individual or private entity, or a group of individuals or private entities that register to participate in Challenge. A Team is comprised of a Team Leader and Team Members. A Team Leader is, by definition, also a Team Member.

Team Members are participants on the Team that are not the Team Leader. To be eligible to win the Challenge prize, an individual or entity, (a) in the case of a private entity, shall be incorporated in and maintain a primary place of business in the United States, and (b) in the case of an individual, whether participating individually or as a member of a group, shall be a citizen or permanent resident of the United States.

A Team Leader is a single private entity or individual which is the sole agent representing TEAM regarding its participation in Challenge. In the case of the Team Leader that is a private entity, it must appoint an individual who is an officer of the private entity to represent the Team Leader.

All Team Members will apply to register for the Challenge through Team Leader and must receive written concurrence by XPF.

All Team Members must execute an "Adoption of Agreement" committing to all terms of this Agreement. By signing the Agreement, Team Leader represents that all Team Members have executed the Adoption of Agreement and that no one else will become a member of the

Team or participate in the Challenge until such new Team Member has signed the Agreement. XPF may disqualify any TEAM if it discovers that a person is acting as a Team Member who has not signed this Agreement. Team Leader will provide XPF with a copy of the "Adoption of Agreement" signed by each team member. Any U.S. Government organization or organization principally or substantially funded by the Federal Government, including Federally Funded Research and Development Centers, Government-owned, contractor operated (GOCO) facilities, University Affiliated Research Centers, and any employee of such an organization acting within the scope of his or her employment, are ineligible to be a Team Leader or Team Member. Team Members may participate in Challenge on more than one Team.
