

recordkeeping costs related to electronic credit card payments and electronic deposit account replenishments.

There are service fees for setting up a deposit account at the USPTO, for not maintaining the minimum balance required for the deposit account, and for returned payments. The service charge to establish a deposit account is \$10, and the USPTO estimates that it processes 298 Deposit Account Application Forms annually, for a total of \$2,980 per year. There is also a \$25 service charge for deposit accounts that are below the minimum balance (\$1,000 minimum balance for an unrestricted deposit account or \$300 minimum balance for a restricted deposit account) at the end of the month. The USPTO estimates that it assesses 4,000 of these low balance charges annually, for a total of \$100,000 per year. There is a \$50 service charge for processing a payment refused (including a check returned "unpaid") or charged back by a financial institution. The USPTO estimates that it assesses 456 of these returned payment charges annually, for a total of \$22,800 per year. The total estimated service fees for this collection are \$125,780 per year.

Customers may incur postage costs when submitting the Credit Card Payment Form and other paper forms or requests to the USPTO by mail. Customers generally send the Credit Card Payment Form to the USPTO along with other documents related to the fee or service being paid for by credit card, but some customers may submit just the Credit Card Payment Form without additional supporting documents. The USPTO estimates that roughly 5 percent of the 863,389 paper Credit Card Payment Forms submitted annually may be mailed in by themselves, approximately 43,169 per year. The USPTO estimates that it will receive an additional 27,480 submissions per year that may be mailed, including Deposit Account Application Forms, Deposit Account Replenishments, Deposit Account Closure Requests, and Refund Requests, for a total of 70,649 mailed submissions per year. The USPTO estimates that the first-class postage cost for a mailed submission will be 42 cents, for a total postage cost of approximately \$29,673 per year.

Customers using the Electronic Credit Card Payment Form or the Electronic Deposit Account Replenishment Form may incur recordkeeping costs from printing a copy of the electronic receipt confirming their successful online transaction. The USPTO estimates that it will take 5 seconds (0.001 hours) to print a copy of the confirmation receipt and that approximately 1,034,986

submissions per year will use the Electronic Credit Card Payment Form or the Electronic Deposit Account Replenishment Form, for a total recordkeeping burden of 1,035 hours per year. Using the paraprofessional rate of \$90 per hour, the USPTO estimates that the recordkeeping cost associated with this collection will be approximately \$93,150 per year.

The total non-hour respondent cost burden for this collection in the form of service fees, postage costs, and recordkeeping costs is estimated to be \$248,603 per year.
