SUPPLEMENTARY INFORMATION:

1. Background

During the legislative approval process for the CAFTA–DR, the Administration and the Congress reached an understanding on the need to support labor capacity-building efforts linked to recommendations identified in the White Paper of the Working Group of the Vice Ministers Responsible for Trade and Labor in the countries of Central America and the Dominican Republic. A total of \$130 million was appropriated in support of labor and environment capacity-building in FY 2005 through FY 2008, with an additional \$40 million anticipated for FY 2009.

Areas of focus were identified through a cooperative process and dialogue between the United States and its CAFTA–DR partners (Costa Rica, the Dominican Republic, El Salvador, Guatemala, Honduras, and Nicaragua) as envisaged by the Labor Chapter and Annex 16.5 of the CAFTA–DR. The multi-year assistance effort focuses on building the capacity of the ministries of labor to more effectively enforce labor laws, training labor inspectors, developing and distributing public awareness materials, assessing the information technology needs of the ministries of labor, and providing technical assistance to the labor justice system in Central America and the Dominican Republic.

For more information on these initiatives, see the full text of the CAFTA–DR and the White Paper as well as other relevant fact sheets and reports posted on the respective Web sites of the Office of the United States Trade Representative, http://www.ustr.gov/Trade_Agreements/Regional/CAFTA/Section_Index.html, and the ILO Subregional Office for Central America, Haiti, Panama and the Dominican Republic, <http://web.oit.or.cr/> (follow the link to: Sector IV, Dialogo Social, and then link to: Verification of the

White Paper, Central America and the Dominican Republic).

Under section 403(a) of the CAFTA–DR Implementation Act, 19 U.S.C. 4111(a), the President must report biennially to the Congress on the progress made by the CAFTA–DR countries in implementing the labor obligations and the labor capacity-building provisions found in the Labor Chapter and Annex 16.5 and implementing the recommendations contained in the White Paper. Section 403(a)(4) requires the President to establish a mechanism to solicit public comments on the matters described in section 403(a)(3)(D) of the CAFTA–DR Implementation Act, 19 U.S.C. 4111(a)(4).

By Proclamation, the President delegated the reporting function and the responsibility for soliciting public comments under section 403(a) of the CAFTA–DR Implementation Act, 19 U.S.C. 4111(a), to the Secretary of Labor, in consultation with the United States Trade Representative. Proclamation No. 8272, 73 FR 38,297 (June 30, 2008). This notice serves to request public comments as required by this section.

2. Information Sought

The Department of Labor is seeking comments on the following topics as required under Section 404(a)(3)(D) of the CAFTA–DR Implementation Act:

1. Capacity-building efforts by the United States government envisaged by Article 16.5 of the CAFTA–DR Labor Chapter and Annex 16.5;
2. Efforts by the United States government to facilitate full implementation of the White Paper recommendations; and
3. Efforts made by the CAFTA–DR countries to comply with Article 16.5 of the Labor Chapter and Annex 16.5 and to fully implement the White Paper recommendations, including progress made by the CAFTA–DR countries in affording to workers internationally-recognized worker rights through improved capacity.

3. Requirements for Comments

This notice requests comments in response to a general solicitation to the public. Written comments may be submitted by 5 p.m. September 22, 2008.
