Environmental Policy Act of 1969, is
announcing the opportunity to provide
additional comments on the water

The original 60-day comment period for

future notice. When completed the
additional analysis will be made
available for public review and
comment during a 45-day period. The
availability of the additional analysis
and the corresponding 45-day comment
period will be announced in the **Federal
Register** on a future date in 2008.
