INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-453 (Final) and
731-TA-1136-1137 (Final)]

Sodium Nitrite From China and Germany

Determinations

On the basis of the record¹ developed
in the subject investigations, the United
States International Trade Commission
(Commission) determines, pursuant to
sections 705(b) and 735(b) of the Tariff
Act of 1930 (19 U.S.C. 1671d(b),
1673d(b)) (the Act), that an industry in
the United States is materially injured
by reason of imports from China and
Germany of sodium nitrite, provided for
in subheading 2834.10.10 of the
Harmonized Tariff Schedule of the
United States, that have been found by
the Department of Commerce
(Commerce) to be sold in the United
States at less than fair value (LTFV) and
by imports from China of sodium nitrite
found by Commerce to be subsidized by
the Government of China.

Background

The Commission instituted these
investigations effective November 8,
2007, following receipt of a petition
filed with the Commission and
Commerce by General Chemical LLC of
Parsippany, NJ. The final phase of the
investigations was scheduled by the
Commission following notification of
preliminary determinations by
Commerce that imports of sodium
nitrite from China were being
subsidized within the meaning of
section 703(b) of the Act (19 U.S.C.
1671b(b)) and that imports of sodium
nitrite from China and Germany were
being sold at LTFV within the meaning
of section 733(b) of the Act (19 U.S.C.
1673b(b)). Notice of the scheduling of
the final phase of the Commission's
investigations and of a public hearing to
be held in connection therewith was
given by posting copies of the notice in
the Office of the Secretary, U.S.
International Trade Commission,
Washington, DC, and by publishing the
notice in the **Federal Register** of May 5,
2008 (73 FR 24610). The hearing was
held in Washington, DC, on July 2,
2008, and all persons who requested the
opportunity were permitted to appear in
person or by counsel.

The Commission transmitted its
determinations in these investigations to
the Secretary of Commerce on August
20, 2008. The views of the Commission
