

Intent To Rescind Administrative Review

Pursuant to 19 CFR § 351.213(d)(3), the Department may rescind an administrative review if it concludes that during the POR there were no entries, exports, or sales of the subject merchandise. The Department's practice, supported by substantial precedent, requires that there be entries during the POR upon which to assess antidumping duties. *See, e.g., Stainless Steel Bar from Italy: Preliminary Results and Partial Rescission of Administrative Review*, 70 FR 17656 (April 7, 2005) affirmed in *Stainless Steel Bar from Italy: Final Results of Antidumping Duty Administrative Review and Rescission of Review*, 70 FR 46480 (August 10, 2005).

Both CSN and CST certified that they had no entries of subject merchandise during the 2007–2008 POR, which the Department confirmed on the basis of official data from CBP. Therefore, we have preliminarily determined to rescind the 2007–2008 administrative review.

Public Comment

Interested parties may submit case briefs not later than 20 days after the date of publication of this notice. *See* 19 CFR § 351.309(c). Rebuttal briefs, which must be limited to issues raised in such briefs, must be filed not later than 7 days from the case brief after the date of publication of this notice. *See* 19 CFR § 351.309(d). Parties who submit arguments are requested to submit with the argument (1) a statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities. Further, parties submitting written comments should provide the Department with an additional copy of the public version of any such comments on diskette. An interested party may request a hearing within 20 days of publication of this notice. Any hearing, if requested, will be held 34 days after the date of publication of this notice, or the first working day thereafter. *See* 19 CFR § 351.310. We will issue our final decision concerning the conduct of the review no later than 120 days from the date of publication of this notice.

This notice is published in accordance with section 777(i)(1) of the Act and 19 CFR § 351.213(d)(4).

Dated: August 25, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Technology Innovation Program (TIP) is a competitive cost sharing program designed to assist U.S. businesses and institutions of higher education or other organizations, such as national laboratories, governmental laboratories (not including NIST), and nonprofit research institutes, to support, promote, and accelerate innovation in the United States through high-risk, high-reward research in areas of critical national need sponsored by the Department of Commerce's National Institute of Standards and Technology. High-risk, high-reward research is research that:

a. Has the potential for yielding transformational results with far-ranging or wide-ranging implications;

b. Addresses areas of critical national need that support, promote, and accelerate innovation in the United States and is within NIST's areas of technical competence; and is too novel or spans too diverse a range of

disciplines to fare well in the traditional peer-review process.

This request is for the information collection requirements associated with submission of proposals for TIP funding. The intent of the collection is to meet statutory requirements for TIP, as well as compliance with 15 CFR part 14.

II. Method of Collection

Paper or electronically via www.grants.gov.
