## DEPARTMENT OF HOMELAND SECURITY

### Security of Aircraft and Safety of Passengers Departing From Airports From Venezuela to the United States

**AGENCY:** Department of Homeland Security.

**ACTION:** Notice.

**SUMMARY:** This document informs the public that the Department of Homeland Security (DHS) is unable to determine whether international airports in Venezuela that serve as the last point of departure for non-stop flights to the United States maintain and carry out effective aviation security measures. Since the Government of Venezuela has refused multiple requests to allow assessments of its airports by the Transportation Security Administration (TSA), DHS can no longer verify the security of its airports. As authorized by statute, DHS is directing all U.S. and

foreign air carriers (and their agents) providing service between the United States and Venezuelan airports, to provide notice to any passenger purchasing a ticket for transportation between the United States and these airports that DHS is unable to determine whether such airports maintain and carry out effective security measures. DHS is also requiring that similar notices be posted at U.S. airports.

**FOR FURTHER INFORMATION CONTACT:**

Richard Stein, Office of Global Strategies, International Operations, TSA-38, Transportation Security Administration, 601 South 12th Street, Arlington, VA 22202-4220, telephone: (571) 227-3239, e-mail: [Richard.Stein@dhs.gov](mailto:Richard.Stein@dhs.gov).

**Notice**

Pursuant to 49 U.S.C. 44907(a), the Secretary of Homeland Security (the Secretary) is required to assess periodically the effectiveness of the security measures maintained by foreign airports that are served by U.S. carriers, from which foreign air carriers serve the United States, that may pose a "high risk of introducing danger to international air travel," or other airports deemed appropriate by the Secretary. If the Secretary determines that a foreign airport does not maintain and carry out effective security measures, the Secretary is required to "notify the appropriate authorities of the government of the foreign country of the decision and recommend the steps necessary to bring the security measures up to a standard used in making the assessment." 49 U.S.C. 44907(c).

Further, the Secretary must: (a) Publish the identity of the foreign airport in the **Federal Register**, (b) post the identity of such airport at all U.S. airports that regularly provide scheduled air carrier operations, and (c) notify the news media of the identity of the airport. 49 U.S.C. 44907(d). In addition, the statute requires all air carriers providing service between the United States and the airport to provide written notice of the determination, either on or with the ticket, to all passengers purchasing transportation between the United States and the airport. 49 U.S.C. 44907(d)(1)(B).

On August 8, 2008, the Secretary notified the Government of Venezuela that DHS could not determine whether Venezuelan airports that serve as the last point of departure for non-stop flights to the United States maintain and carry out effective security measures. This notification was made because the Government of Venezuela has not permitted the Transportation Security Administration (TSA) to conduct

assessments of the security measures maintained and carried out at these airports, using the security standards and appropriate recommended practices established by the International Civil Aviation Organization (ICAO) as the basis for analysis.

The Department of Homeland Security (DHS) is issuing this document pursuant to 49 U.S.C. 114, to inform the public that DHS is unable to determine whether such airports maintain and carry out effective security measures. DHS directs that all U.S. airports with regularly scheduled air carrier operations prominently post a notice displaying this information. Further, DHS is notifying the news media of this decision to provide public notification. In addition, DHS is requiring that each U.S. and foreign air carrier (and their agents) providing transportation between the United States and these Venezuelan airports provide notice of this information to each passenger buying a ticket for transportation between the United States and these airports, with such notice to be made by written material included on or with such ticket.

Issued in Washington, DC, on September 8, 2008.

RIN 1615-ZA74

### Revision to Direct Mail Program for Submitting Form N-400, Application for Naturalization

**AGENCY:** U.S. Citizenship and Immigration Services, DHS.

**ACTION:** Notice.

**SUMMARY:** U.S. Citizenship and Immigration Services (USCIS) is revising its Direct Mail Program so that certain filings of Form N-400, Application for Naturalization, will now be filed at a designated lockbox facility instead of a USCIS Service Center. However, if you are the spouse of an active member of the Armed Forces, this notice instructs you now to file your Form N-400 at the Nebraska Service Center (NSC), whether you are filing from within the U.S. or abroad. This

notice does not change the filing location for Forms N-400 filed by active members or certain veterans of the Armed Forces who are eligible to apply for naturalization under sections 328 or 329 of the Immigration and Nationality Act (the Act).

**DATES:** This notice becomes effective October 14, 2008.

**FOR FURTHER INFORMATION CONTACT:** Kathleen Stanley, Chief, Lockbox Operations Division, Office of the Chief Financial Officer, U.S. Citizenship and Immigration Services, Department of Homeland Security, 20 Massachusetts Avenue, NW., 4th Floor, Washington, DC 20529, Telephone (202) 233-2385.

**SUPPLEMENTARY INFORMATION:**

**Background**

*What Is the Direct Mail Program?*

The Direct Mail Program allows USCIS to standardize and more efficiently process applications by eliminating duplicative work, maximizing staff productivity, and introducing better information management tools. The purpose and strategy of the Direct Mail Program has been discussed in detail in previous rulemaking and notices. ## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5261-N-01]

### Notice of Reclassification of Four Investigative Field Offices to Regional Offices: Cleveland, OH; Baltimore, MD; Tampa, FL; and Seattle, WA

**AGENCY:** Office of Inspector General,  
Department of Housing and Urban  
Development (HUD/OIG).

**ACTION:** Notice of reclassification of  
field offices of investigation as regional  
offices of investigation.

**SUMMARY:** This notice advises the public  
that the HUD/OIG Office of  
Investigation plans to reclassify its  
Cleveland; Baltimore; Tampa; and  
Seattle field offices as regional offices.  
The planned reclassification is intended  
to: (1) Improve the alignment of limited  
investigative resources, to promote more  
efficient responses to HUD or  
Congressional requests involving critical  
program issues; (2) redeploy resources  
to prevent and detect fraud in new  
program delivery of CPD and FHA; and  
(3) improve management control and  
effectiveness, and reduce travel costs of  
management by reducing region size.

The HUD/OIG Office of Audit, to the  
extent that it maintains field offices in  
these locations, has determined that  
based upon the different nature of its  
responsibilities it does not need to  
reorganize. This notice also includes a  
cost-benefit analysis supporting the  
reclassification of the four field offices.

**FOR FURTHER INFORMATION CONTACT:** John  
McCarty, Assistant Inspector General for  
Investigations, Room 8274, Department  
of Housing and Urban Development,  
451 Seventh Street, SW., Washington,  
DC, 20410-4500, 202-708-0390 (This is  
not a toll free number.) A  
telecommunication device for hearing  
and speech-impaired persons (TTY) is  
available at 800-877-8339 (Federal  
Information Relay Services). (This is a  
toll free number).

**SUPPLEMENTARY INFORMATION:** Section  
7(p) of the Department of Housing and  
Urban Development Act (42 U.S.C.  
3535(p)) provides that a plan for  
reorganization, of any regional, area,  
insuring, or other field office of the  
Department of Housing and Urban  
Development may take effect only upon  
the expiration of 90 days after the  
publication in the **Federal Register** of a  
cost-benefit analysis of the effect of the  
plan on the office involved. The  
required cost-benefit analysis must  
include: (1) An estimate of cost savings  
anticipated; (2) an estimate of the  
additional cost which will result from

the reorganization; (3) a discussion of  
the impact on the local economy; and  
(4) an estimate of the effect of the  
reorganization on the availability,  
accessibility, and quality of services  
provided for recipients of those services.

Legislative history pertaining to  
section 7(p) indicates that not all  
reorganizations are subject to the  
requirements of section 7(p). Congress  
stated that "[t]his amendment is not  
intended to [apply] to or restrict the  
internal operations or organization of  
the Department (such as the  
establishment of new or combination of  
existing organization units within a  
field office, the duty stationing of  
employees in various locations to  
provide on-site service, or the  
establishment or closing, based on  
workload, of small, informal offices  
such as valuation stations)." (See House  
Conference Report No. 95-1792,  
October 14, 1978 at 58.) Although HUD/  
OIG believes that the legislative history  
of section 7(p) strongly suggests that the  
legislation is inapplicable to a  
reclassification of four field offices that  
will in no way reduce the level of  
services provided to areas served by  
such offices, HUD/OIG nonetheless  
voluntarily publishes the following the  
cost-benefit analysis of its plan.

#### Cost-Benefit Analysis

##### A. Background

Since 2002, HUD/OIG staffing has  
declined from a high of 750 full time  
equivalents (FTEs) to a current level of  
650 FTEs. Simultaneous with this  
constriction of staff resources, HUD/OIG  
has had to contend with additional,  
extraordinary responsibilities associated  
with the September 11, 2001, terrorist  
attacks and the 2005 natural disasters  
along the Gulf Coast. The staff  
reductions and unforeseen additional  
responsibilities have caused HUD/OIG  
Office of Investigation to struggle to  
address baseline fraud, waste, and abuse  
in HUD programs. To more efficiently  
and effectively address HUD/OIG's core  
mission and at the same time become  
better prepared to respond to inevitable  
but unpredictable events, HUD/OIG  
plans to reclassify four field offices to  
regional office status at the close of the  
90-day period following the publication  
of this notice.

##### B. Description of Proposed Changes

At the expiration of 90 days following  
the publication of this notice, the HUD/  
OIG Office of Investigation will  
reclassify its Cleveland, Ohio;  
Baltimore, Maryland; Tampa, Florida;  
and Seattle, Washington field offices as  
regional offices. The Cleveland Regional
