

requested, of fibers, yarns, or fabrics, that are provided to CITA will be made available for public inspection at the Office of Textiles and Apparel, Room 3110, U.S. Department of Commerce, 14th St. and Constitution Ave., NW., Washington, DC 20230. All written submissions must follow instructions described in Section 3 of these procedures. Samples should be identified with a cover sheet that describes the specifications of the sample and be identical to the specifications of the Request.

(ii) CITA also will consider evidence in support of claims that CAFTA-DR supplier(s) can supply a substantially similar product to that specified in the Request.

(ii) CITA will make a determination, not later than 44 U.S. business days after the official receipt of a Request whether to approve, approve with restriction, or deny the Request and will follow the notification process accordingly.

(5) *Deemed Approval.* In the event that CITA does not make a determination in response to a Request to add a product to Annex 3.25 of the Agreement within the statutory deadlines provided, not later than 45 U.S. business-days after the official receipt of the Request or not later than 60 U.S. business-days after the official receipt of the Request that was determined to lack sufficient information pursuant to subsection (c)(4), the requested subject product shall be added to the Commercial Availability List in Annex 3.25, in an unrestricted quantity, in accordance with the requirements of section 203(o)(4)(D) of the CAFTA-DR Implementation Act. CITA will notify the public of the deemed approval by publication in the U.S. **Federal Register** and posting on OTEXA's Web site.

9. Six Month Procedures

(a) *Request to Remove or Restrict.* No earlier than six months after a product has been added to the Commercial Availability List in Annex 3.25 in an unrestricted quantity pursuant to Sections 203(o)(2) and (4) of the CAFTA-DR Implementation Act, an interested entity may submit a request to CITA requesting that a product be either removed or that a quantity restriction be introduced.

(b) *Content of a Request to Remove or Restrict.* The Request to Remove or Restrict must provide the substantive information set forth in subsection 6(b) (Contents of a Response with an Offer to Supply) of these procedures.

(c) *Procedures.*

(1) In considering whether to accept a Request to Remove or Restrict, CITA will follow procedures set forth in Section 5 (Consideration and Acceptance of a Request) of these procedures.

(2) If CITA determines to accept the Request to Remove or Restrict, CITA and any responding interested entity shall follow applicable procedures and contents set forth in subsection 6(a) (Response with an Offer to Supply) and Section 7 (Submitting a Rebuttal Comment) of these procedures.

(3) As set forth in subsections 8(a) and (b) (Determination Process) of these procedures, CITA will determine whether the subject product of the Request to Remove or Restrict is available in commercial quantities in a timely manner in the CAFTA-DR countries not later than 30 U.S. business days after the official receipt of the Request to Remove or Restrict.

(i) If CITA determines that the product is available in commercial quantities in a timely manner in the CAFTA-DR countries, e.g., that a CAFTA-DR supplier is capable to supply the entire subject product requested originally, then that product will be removed from the Commercial Availability List in Annex 3.25 of the Agreement.

(ii) If CITA determines that the product is available in restricted quantities in a timely manner in the CAFTA-DR countries, e.g., that a CAFTA-DR supplier is capable to supply part of the subject product requested originally then a restricted quantity will be introduced for that product.

(iii) If the Commercial Availability List changes as a result of CITA's determination for the Request to Remove or Restrict, CITA will notify interested parties by e-mail of its determination and will publish a notice of its determination for the Request to Remove or Restrict in the U.S. **Federal Register**.

(A) For removal, the notice of determination will state that textile and apparel articles containing the subject product are not to be treated as originating in a CAFTA-DR country if the subject product is obtained from non-CAFTA-DR sources, effective for goods entered into the United States on or after six months (i.e., 180 calendar days) after the date of publication of the notice.

(B) For restriction, the notice of determination will specify the restricted quantity for the subject product that is to be effective on or after six months

(i.e., 180 calendar days) after the publication date of the notice.

R. Matthew Priest,

Chairman, Committee for the Implementation of Textile Agreements.
