

clarification will apply to entries of subject merchandise during the

POR produced by the company included in these preliminary results for which the reviewed company did not know their merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company or companies involved in the transaction.

Cash Deposit Requirements

The following deposit rates will be effective upon publication of the final results of this administrative review for all shipments of PTFE from Italy entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(1) of the Act: (1) the cash deposit rate listed above for Solvay will be the rate established in the final results of this review, except if a rate is less than 0.5 percent, and therefore de minimis, the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review conducted by the Department, the cash deposit rate will be 46.46 percent, the "all others" rate established in the LTFV investigation. *See Final Determination of Sales at Less Than Fair Value: Granular Polytetrafluoroethylene Resin from Italy*, 53 FR 26096 (July 11, 1988). These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entities during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: September 16, 2008.

Stephen J. Claeys,

Acting Assistant Secretary for Import Administration.

Exemption of Foreign Air Carriers From Excise Taxes; Review of Finding of Reciprocity (Dominican Republic), 26 U.S.C. 4221

AGENCY: International Trade Administration, U.S. Department of Commerce.

ACTION: Solicitation of public comments concerning a review of the existing exemption for aircraft registered in the Dominican Republic from certain internal revenue taxes on the purchase of supplies in the United States for such aircraft in connection with their international commercial operations.

SUMMARY: Notice is hereby given that the Department of Commerce is conducting a review to determine, pursuant to Section 4221 of the Internal Revenue Code, as amended (26 U.S.C. 4221), whether the Government of the Dominican Republic has discontinued allowing substantially reciprocal tax exemptions to aircraft of U.S. registry in connection with international commercial operations similar to those exemptions currently granted to aircraft of Dominican Republic registry by the United States under the aforementioned statute.

The above-cited statute provides exemptions for aircraft of foreign registry from payment of certain internal revenue taxes on the purchase of supplies in the United States for such aircraft in connection with their international commercial operations. These exemptions apply upon a finding by the Secretary of Commerce, or his designee, and communicated to the Department of the Treasury, that such country allows, or will allow, "substantially reciprocal privileges" to aircraft of U.S. registry with respect to purchases of such supplies in that country. If a foreign country discontinues the allowance of such substantially reciprocal exemption, the exemption allowed by the United States will not apply after the Secretary of the Treasury is notified by the Secretary of Commerce, or his designee, of the discontinuance.

Interested parties are invited to submit their views, comments and supporting documentation in writing concerning this matter to Mr. Mark Brady, Deputy Assistant Secretary for Services, Room 1128, U.S. Department of Commerce, Washington, DC 20230. Submissions should be sent electronically to Airservices@ita.doc.gov. All
