SUPPLEMENTARY INFORMATION: EPA has submitted the following ICR to OMB for review and approval according to the procedures prescribed in 5 CFR 1320.12. On May 14, 2008 (73 FR 27818) EPA sought comments on this ICR pursuant to 5 CFR 1320.8 (d). EPA received no comments during the comment period. Any additional comments on this ICR should be submitted to EPA and OMB within 30 days of this notice.

EPA has established a public docket for this ICR under Docket ID No. EPA-HQ-ORD-2004-0023, which is available for online viewing at www.regulations.gov, or in person viewing at the Office of Research and Development Docket in the EPA Docket Center (EPA/DC), EPA West, Room 3334, 1301 Constitution Ave., NW., Washington, DC. The EPA/DC Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Reading Room is 202-566-1744, and the telephone number for the ORD Docket is 202-566-1752.

Use EPA's electronic docket and comment system at www.regulations.gov to submit or view public comments, access the index listing of the contents of the docket, and to access those documents in the public docket that are available electronically. Once in the system, select "search," then key in the docket ID number identified in this document. Please note that the EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing at www.regulations.gov as EPA receives them and without change, unless the comment contains copyrighted material, confidential business information (CBI), or other

information whose public disclosure is restricted by statute. For further information about the electronic docket, go to www.regulations.gov.

Title: Health Effects of Microbial Pathogens in Recreational Waters: National Epidemiological and Environmental Assessment of Recreational (NEEAR) Water Study (Renewal).

ICR numbers: EPA ICR No. 2081.04, OMB Control No. 2080-0068.

ICR Status: This ICR is currently scheduled to expire on September 30, 2008. Under OMB regulations, the Agency may continue to conduct or sponsor, the collection of information while this submission is pending at OMB. The OMB control numbers for EPA's regulations in title 40 of the CFR, after appearing in the **Federal Register** when approved, are listed in title 40 of the CFR part 9, are displayed either by publication in the **Federal Register** or by other appropriate means, such as on the related collection instrument or form, if applicable. The display of OMB control numbers in certain EPA regulations is consolidated in 40 CFR part 9.

Abstract: The purpose of this study is to examine the health effects associated with swimming exposure at beach sites designated as recreational areas. This study will be conducted, and the information collected, by the Epidemiology and Biomarkers Branch, Human Studies Division, National Health and Environmental Effects Research Laboratory, Office of Research and Development (ORD), U.S. Environmental Protection Agency (EPA). Participation of adults and children in this collection of information is strictly voluntary. The identity of all participants is considered strictly confidential; thus, all data collected are stored without identifiers. This information is being collected as part of a research program consistent with the Section 3(a)(v)(1) of the Beaches Environmental Assessment and Coastal Health Act of 2000 and the strategic plan for EPA's Office of Research and Development and the Office of Water entitled "Action Plan for Beaches and Recreational Water" available at <http://www.epa.gov/ord/html/documents/600r98079.pdf>. The Beaches Act and ORD's strategic plan has identified research on effects of microbial pathogens in recreational waters as a high-priority research area with particular emphasis on developing new water quality indicator guidelines for recreational waters. The EPA has broad legislative authority to establish water quality criteria and to conduct research to support these criteria. This
