*Type of Review:* Revision.

*Title:* Integrated Postsecondary Education Data System (IPEDS), Web-Based Collection System.

*Frequency:* Annually.

*Affected Public:* Not-for-profit institutions (primary); Businesses or other for-profit State, Local, or Tribal Gov't, SEAs or LEAs.

*Reporting and Recordkeeping Hour Burden:*

*Abstract:* The National Center for Education Statistics (NCES) is requesting an amendment to its three-year clearance for the Integrated Postsecondary Education Data System (IPEDS) to run for the 2008–09, 2009–10, and 2010–2011 web-based data collections. Current authorization for IPEDS expires July 31, 2011 (OMB No. 1850–0582). The Higher Education Opportunity Act (HEOA), which became law on August 14, 2008, after OMB had already granted IPEDS a three-year clearance, has several implications for the IPEDS annual Web-based data collection. The law requires the immediate implementation of several new institutional reporting requirements so that the data may be made available on the College Navigator Web site by August 2009. A change memo was sent to OMB on August 19, 2008, that included a small number of

non-substantive changes to the 2008–09 data collection based on the new requirements; OMB provided clearance for those changes in a notice on August 26, 2008. NCES now requests in this document a limited number of additional substantive changes to spring cycle of the 2008–09 IPEDS Web-based data collection, which opens on March 4, 2009, in order to implement HEOA requirements. These changes are to: (1) Make previously approved changes to financial aid reporting required, rather than optional, in spring 2009; (2) collect additional financial aid data; (3) collect data on students with disabilities; and (4) collect additional graduation rate data.

Requests for copies of the proposed information collection request may be accessed from <http://edicsweb.ed.gov>, by selecting the "Browse Pending Collections" link and by clicking on link number 3823. When you access the information collection, click on "Download Attachments" to view. Written requests for information should be addressed to U.S. Department of Education, 400 Maryland Avenue, SW., LBJ, Washington, DC 20202–4537. Requests may also be electronically mailed to [ICDocketMgr@ed.gov](mailto:ICDocketMgr@ed.gov) or faxed to 202–401–0920. Please specify the complete title of the information collection when making your request.

Comments regarding burden and/or the collection activity requirements should be electronically mailed to [ICDocketMgr@ed.gov](mailto:ICDocketMgr@ed.gov). Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339.

## II. Award Information

*Type of Award:* Discretionary grants redistributed as fellowships to individual beneficiaries. As part of its FY 2009 budget request, the Administration proposed to continue to allow funds to be used to support the applications of individuals who plan both to utilize their language skills in world areas vital to the United States national security and to apply their language skills and knowledge of these countries in the fields of government, international development, and various professions. Therefore, students planning to apply their language skills in such fields are eligible to apply for this program, in addition to those planning teaching careers. However, authority to use funds in this manner depends on final Congressional action. Applicants will be given an opportunity to amend their applications if such authority is not provided.

*Estimated Available Funds:* The Administration has requested \$13,372,000 for International Education and Foreign Language Studies Overseas Programs, of which we propose to allocate \$4,731,000 for new awards for this program for FY 2009. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

*Estimated Range of Fellowship Awards:* \$15,000–\$60,000.

*Estimated Average Size of Fellowship Awards:* \$37,000.

*Estimated Number of Fellowship Awards:* 127.

**Note:** The Department is not bound by any estimates in this notice.

*Project Period:* The institutional project period is 18 months beginning July 1, 2009. Students may request funding for a period of no less than six months nor more than twelve months.

## III. Eligibility Information

1. *Eligible Applicants:* IHEs. As part of the application process, students submit individual applications to the IHE. The IHE then officially submits all eligible individual student applications with its grant application to the Department.

2. *Cost Sharing or Matching:* This program does not require cost sharing or matching.

## IV. Application and Submission Information

1. *Address to Request Application Package:* Both IHEs and student applicants can obtain an application package by contacting Carla White, International Education Programs Service, U.S. Department of Education, 1990 K Street, NW., room 6000, Washington, DC 20006–8521. *Telephone:* (202) 502–7700 or by *e-mail:* [carla.white@ed.gov](mailto:carla.white@ed.gov).

If you use a telecommunications device for the deaf (TDD), call the Federal Relay Service (FRS), toll free, at 1–800–877–8339.

Individuals with disabilities can obtain a copy of the application package in an alternative format (e.g., braille, large print, audiotape, or computer diskette) by contacting the program contact person listed in this section.

2. *Content and Form of Application Submission:* Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

*Page Limit:* The application narrative is where the student applicant addresses the selection criteria that reviewers use to evaluate the application. The student applicant must limit the application narrative to no more than 10 pages and the bibliography to no more than 2 pages, using the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.

- Double space (no more than three lines per vertical inch) all text in the application narrative. However, student applicants may single space all text in charts, tables, figures, graphs, titles, headings, footnotes, endnotes, quotations, bibliography, and captions.

- Use a font that is either 12 point or larger; or, no smaller than 10 pitch (characters per inch). Student applicants may use a 10 point font in charts, tables, figures, graphs, footnotes, and endnotes. However, these items are considered part of the narrative and counted within the 10 page limit.

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted

in any other font (including Times Roman or Arial Narrow) will not be accepted.

The page limits only apply to the application narrative and bibliography. The page limits do not apply to the Application for Federal Assistance face sheet (SF 424); the supplemental information form required by the Department of Education; and the assurances and certification. However, student applicants must include their complete responses to the selection criteria in the application narrative.

We will reject a student applicant’s application if the student applicant exceeds the page limits.

3. *Submission Dates and Times:* *Applications Available:* September 24, 2008.

*Deadline for Transmittal of Applications:* November 13, 2008.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) available through the Department’s e-Grants system. For information (including dates and times) about how to submit an IHE’s application electronically, or in paper format by mail or hand delivery if an IHE qualifies for an exception to the electronic submission requirement, please refer to section IV. 6. *Other Submission Requirements* in this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other requirements and limitations in this notice.

4. *Intergovernmental Review:* This program is not subject to Executive Order 12372 and the regulations in 34 CFR part 79.

5. *Funding Restrictions:* We reference regulations outlining funding restrictions in the *Applicable Regulations* section in this notice.

6. *Other Submission Requirements:* Applications for grants under this program must be submitted electronically, unless an IHE qualifies for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Applications for grants under the Fulbright-Hays Doctoral Dissertation Research Abroad Fellowship Program, CFDA Number 84.022A, must be submitted electronically using e-Application available through the Department's e-Grants system, accessible through the e-Grants portal page at: <http://e-grants.ed.gov>.

We will reject an application if an IHE submits it in paper format unless, as described elsewhere in this section, the IHE qualifies for one of the exceptions to the electronic submission requirement *and* submits, no later than two weeks before the application deadline date, a written statement to the Department that the IHE qualifies for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing the electronic application, both the IHE and the student applicant will be entering data online that will be saved into a database. Neither the IHE nor the student applicant may e-mail an electronic copy of a grant application to us.

*Please note the following:*

- The process for submitting applications electronically under the Fulbright-Hays Doctoral Dissertation Research Abroad Fellowship Program has several parts. The following is a brief summary of the process; however, all applicants should review and follow the detailed description of the application process that is contained in the application package. In summary, the major parts are as follows: (1) IHEs must e-mail the following information to [ddra@ed.gov](mailto:ddra@ed.gov): Name of university, and full name and e-mail address of potential project director. We recommend that applicant IHEs submit this information as soon as possible to ensure that applicant IHEs obtain access to the e-Application system well before the application deadline date. We suggest that applicant IHEs send this information no later than two weeks prior to the closing date, in order to facilitate timely submission of their applications; (2) Students must complete their individual applications and submit them to their IHE's project director using e-Application; (3) Persons providing references for individual students must complete and submit reference forms for the students and submit them to the IHE's project director using e-Application; and (4) The IHE's project director must

officially submit the IHE's application, which must include all eligible individual student applications, reference forms, and other required forms, using e-Application. Student transcripts, however, must be mailed or hand delivered to the Department on or before the application deadline date using the applicable mail or hand delivery instructions for paper applications in this notice.

- The IHE must complete the electronic submission of the grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The e-Application system will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that both the IHE and the student applicant not wait until the application deadline date to begin the application process.

- The regular hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that the system is unavailable on Sundays after 8:00 p.m., and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time, for maintenance. Any modifications to these hours are posted on the e-Grants Web site.

- Student applicants will not receive additional point value because the student submits his or her application in electronic format, nor will we penalize the IHE or student applicant if the applicant qualifies for an exception to the electronic submission requirement, as described elsewhere in this section, and submits an application in paper format.

- IHEs must submit all documents, except for student transcripts, electronically, including the Application for Federal Assistance (SF 424), the Supplement to the SF 424, and all necessary assurances and certifications. Both IHEs and student applicants must attach any narrative sections of the application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If an IHE or a student applicant uploads a file type other than the three file types specified above or submits a password protected file, we will not review that material.

- Student transcripts must be mailed or hand delivered to the Department on or before the application deadline date in accordance with the applicable mail or hand delivery instructions for paper applications described in this notice.

- Both the IHE's and the student applicant's electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After the individual student applicant electronically submits his or her application to the student's IHE, the student will receive an automatic acknowledgment. In addition, the applicant IHE's project director will receive a copy of this acknowledgment by e-mail. After a person submits a reference electronically, he or she will receive an online confirmation. After the applicant IHE submits its application, including all eligible individual student applications, to the Department, the applicant IHE will receive an automatic acknowledgment, which will include a PR/Award Number (an identifying number unique to the IHE's application).

- Within three working days after submitting the IHE's electronic application, the IHE must fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- (1) Print SF 424 from e-Application.

- (2) The applicant IHE's Authorizing Representative must sign this form.

- (3) Place the PR/Award Number in the upper right hand corner of the hard-copy signature page of the SF 424.

- (4) Fax the signed SF 424 to the Application Control Center at (202) 245-6272.

- We may request that you provide us original signatures on the SF 424 and other forms at a later date.

*Application Deadline Date Extension in Case of e-Application System Unavailability:*

If an IHE is prevented from electronically submitting its application on the application deadline date because the e-Application system is unavailable, we will grant the IHE an extension of one business day to enable the IHE to transmit its application electronically, by mail, or by hand delivery. We will grant this extension if—

- (1) The IHE is a registered user of e-Application and the IHE has initiated an electronic application for this competition; and

- (2)(a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) The e-Application system is unavailable for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting the IHE an extension. To request this extension or to confirm our acknowledgement of any system unavailability, an IHE may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see section VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If the system is down and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of the Department's e-Application system.

**Exception to Electronic Submission Requirement:** An IHE qualifies for an exception to the electronic submission requirement, and may submit its application in paper format, if the IHE is unable to submit an application through the e-Application system because—

- The IHE or a student applicant does not have access to the Internet; or
- The IHE or a student applicant does not have the capacity to upload large documents to the Department's e-Application system; *and*
- No later than two weeks before the application deadline date (14 calendar days; or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), the IHE mails or faxes a written statement to the Department, explaining which of the two grounds for an exception prevents the IHE from using the Internet to submit its application. If an IHE mails a written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If an IHE faxes its written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax this statement to: Amy Wilson, U.S. Department of Education, 1990 K Street, NW., room 6000, Washington, DC 20006-8521. FAX: (202) 502-7860.

The IHE's paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

**b. Submission of Paper Applications by Mail.**

If an IHE qualifies for an exception to the electronic submission requirement, the IHE may mail (through the U.S. Postal Service or a commercial carrier) its application to the Department. The IHE must mail the original and two copies of the application, on or before

the application deadline date, to the Department at the applicable following address:

**By mail through the U.S. Postal Service:**

U.S. Department of Education,  
Application Control Center,  
*Attention:* (CFDA Number 84.022A),  
400 Maryland Avenue, SW.,  
Washington, DC 20202-4260; or

**By mail through a commercial carrier:**

U.S. Department of Education,  
Application Control Center—Stop  
4260, *Attention:* (CFDA Number  
84.022A), 7100 Old Landover Road,  
Landover, MD 20785-1506.

Regardless of which address the IHE uses, the IHE must show proof of mailing consisting of one of the following:

(1) A legibly dated U.S. Postal Service postmark.

(2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.

(3) A dated shipping label, invoice, or receipt from a commercial carrier.

(4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If the IHE mails its application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.

If the IHE's application is postmarked after the application deadline date, we will not consider its application.

**Note:** The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, the IHE should check with its local post office.

**c. Submission of Paper Applications by Hand Delivery.**

If an IHE qualifies for an exception to the electronic submission requirement, the IHE (or a courier service) may deliver its paper application to the Department by hand. The IHE must deliver the original and two copies of the application, by hand, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education,  
Application Control Center, *Attention:*  
(CFDA Number 84.022A), 550 12th  
Street, SW., Room 7041, Potomac Center  
Plaza, Washington, DC 20202-4260.

The Application Control Center accepts hand deliveries daily between 8:00:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

**Note for Mail or Hand Delivery of Paper Applications:** If an IHE mails or hand delivers its application to the Department:

(1) The IHE must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA Number, and suffix letter, if any, of the competition under which the IHE is submitting its application.

(2) The Application Control Center will mail a grant application receipt acknowledgment to the IHE. If the IHE does not receive the grant application receipt acknowledgment within 15 business days from the application deadline date, the IHE should call the U.S. Department of Education Application Control Center at (202) 245-6288.

**V. Application Review Information**

1. **General:** For FY 2009, student applications are divided into seven categories based on the world area focus of their research projects, as described in the absolute priority listed in this notice. Language and area studies experts in seven discrete world area-based panels will review the student applications. Each panel reviews, scores, and ranks its applications separately from the applications assigned to the other world area panels. However, all fellowship applications will be ranked together from the highest to lowest score for funding purposes.

2. **Selection Criteria:** The selection criteria for this competition are from 34 CFR 662.21 and are listed in the following paragraphs. The maximum score for all of the criteria, including the competitive preference priority, is 105 points. The maximum score for each criterion is indicated in parentheses.

**Quality of proposed project (60 points):** In determining the quality of the research project proposed by the applicant, the Secretary considers (1) The statement of the major hypotheses to be tested or questions to be examined, and the description and justification of the research methods to be used (10 points); (2) The relationship of the research to the literature on the topic and to major theoretical issues in the field, and the project's originality and importance in terms of the concerns of the discipline (10 points); (3) The preliminary research already completed in the United States and overseas or plans for such research prior to going overseas, and the kinds, quality and availability of data for the research in the host country or countries (10 points); (4) The justification for overseas field research and preparations to establish appropriate and sufficient research contacts and affiliations abroad (10 points); (5) The applicant's plans to share the results of the research in progress and a copy of the dissertation with scholars and officials of the host

country or countries (10 points); and (6) The guidance and supervision of the dissertation advisor or committee at all stages of the project, including guidance in developing the project, understanding research conditions abroad, and acquainting the applicant with research in the field (10 points).

*Qualifications of the applicant* (40 points): In determining the qualifications of the applicant, the Secretary considers (1) The overall strength of the applicant's graduate academic record (10 points); (2) The extent to which the applicant's academic record demonstrates strength in area studies relevant to the proposed project (10 points); (3) The applicant's proficiency in one or more of the languages (other than English and the applicant's native language) of the country or countries of research, and the specific measures to be taken to overcome any anticipated language barriers (15 points); and (4) The applicant's ability to conduct research in a foreign cultural context, as evidenced by the applicant's references or previous overseas experience, or both (5 points).

#### VI. Award Administration Information

1. *Award Notices:* If a student application is successful, we notify the IHE's U.S. Representative and U.S. Senators and send the IHE a Grant Award Notice (GAN). We may notify the IHE informally, also.

If a student application is not evaluated or not selected for funding, we notify the IHE.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section in this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section in this notice and include these and other specific conditions in the GAN. The GAN also incorporates its approved application as part of its binding commitments under the grant.

3. *Reporting:* At the end of the project period, the IHE must submit a final performance report, including the final reports of all of the IHE's fellows, and financial information, as directed by the Secretary. The IHE and fellows are required to use the electronic reporting system International Resource Information System (IRIS) to complete the final report.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993, the objective for The

Fulbright-Hays Doctoral Dissertation Research Abroad (DDRA) Fellowship Program is to provide grants to colleges and universities to fund individual doctoral students to conduct research in other countries in modern foreign languages and area studies for periods of 6 to 12 months.

The Department will use the following DDRA measures to evaluate its success in meeting this objective:

*Performance Measure 1:* The average language competency score of Fulbright-Hays Doctoral Dissertation Research Abroad (DDRA) Fellowship recipients at the end of their period of research minus their average score at the beginning of the period.

*Performance Measure 2:* Percentage of projects judged successful by program officers, based on information provided in annual performance reports.

*Efficiency measure:* Cost per fellow increasing language competency by at least one level in one (or all three) area.

The information provided by grantees in their performance report submitted via IRIS will be the source of data for this measure. Reporting screens for institutions and fellows may be viewed at: [http://www.ieps-iris.org/iris/pdfs/DDRA\\_fellow.pdf](http://www.ieps-iris.org/iris/pdfs/DDRA_fellow.pdf) and [http://www.ieps-iris.org/iris/pdfs/DDRA\\_director.pdf](http://www.ieps-iris.org/iris/pdfs/DDRA_director.pdf).
