

Region III RCEP grantees to allow them to continue operating until December 15, 2008.

The APA also provides that a substantive rule may not take effect within 30 days from publication unless the agency for good cause finds that a delayed effective date would not be in the public interest. For the reasons described in the preceding paragraph, we also are waiving the APA's requirement that this extension and waiver be published at least 30 days before the effective date.

Final Waivers—Rehabilitation Continuing Education Program

The Secretary waives the requirements in 34 CFR 75.250 and 75.261(a) and (c)(2), which prohibit project periods exceeding five years and extensions of project periods that involve the obligation of additional Federal funds, for the current RCEP grantees in Region II and in Region III in the fifth year of their grants.

Under these waivers, the RCEP grantees in Region II and in Region III, which have grants ending on September 30, 2008, are eligible for additional funding, as available, to allow them to continue activities through December 15, 2008.

Regulatory Flexibility Act Certification

The Secretary certifies that the announced waivers would not have a significant economic impact on a substantial number of small entities.

Paperwork Reduction Act of 1995

This notice of waivers would not contain any information collection requirements.
