The Regional Resource Center Monthly Report Form (DOT F 4502) for each SBTRC must submit a monthly status report of business activities conducted during the 30-day timeframe. The form is used to capture activities and accomplishments that were made by the Regional SBTRCs during the course of the month. In addition, the form includes a data collection section where numbers and hours are reported and a section that is assigned for a written narrative that provides back up that supports the data. Activities to be reported are (1) Counseling activity which identifies the counseling hours provided to businesses, number of new appointments, and follow-up on counseled clients. (2) Activity for businesses served identifies the type of small business that is helped, such as a DBE, 8(a), WOB, HubZone, SDB, SDVOB, or VOSB. (3) Marketing activity includes the name of an event attended by the SBTRC and the role played when participating in a conference, workshop

or any other venue that relates to small businesses. (4) Meetings that are held with government representatives in the region, or at the state level, or an activity that is reported. (5) Events hosted by the SBTRCs, such as small business workshops, financial assistance workshops, matchmaking events, and activities that are reported on a monthly basis.

Respondents: Small Business Transportation Resource Centers.

Estimated Number of Respondents: 100.

Frequency: The information will be collected monthly.

Estimated Total Burden on Respondents: 1,200 hours.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (b) the accuracy of the Departments estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility and clarity of the information collection; and (d) ways to minimize the burden of the collection of information on respondents, by the use of electronic means, including the use of automated collection techniques or other forms of information technology.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Lindy McDowell, Environmental Specialist, Federal Aviation Administration, Orlando Airports District Office, 5950 Hazeltine National Drive, Citadel International Building, Suite 400, Orlando, FL. You can contact Ms. McDowell at (407) 812-6331.

SUPPLEMENTARY INFORMATION: The Federal Aviation Administration (FAA) is issuing this Notice of Availability to advise the public that a DEIS will be available for public review beginning September 26, 2008. The DEIS details the proposed development of a new air carrier runway, modification of existing runways and taxiways, relocation of general aviation support facilities, installation of navigational aids (NAVAIDS), implementation of Global Positioning System (GPS) approaches, relocation of a Very-High Frequency Omni-directional Radio Range (VOR) antenna, land acquisition, drainage canal relocation, and other connected actions at Palm Beach International Airport (PBIA), West Palm Beach, Florida.

The DEIS presents the purpose and need for the proposed project, a comprehensive analysis of the alternatives to the proposed project, including the No-Action alternative and potential environmental impacts associated with the proposed development of the new air carrier runway and related improvements at PBIA.

The FAA encourages the public to comment on the scope and content of the DEIS. Comments should be as specific as possible and address the analysis of potential environmental impacts and the adequacy of the proposed action or merits of alternatives and the proposed mitigation. Reviewers should organize their comments so they are meaningful and make the FAA aware of the viewer's interests and concerns using quotations and other specific references to the text of the DEIS and related documents. Specific comments not given during the DEIS comment period may not be considered if they are raised later in the decision making process. This commenting

procedure is intended to ensure that substantive comments and concerns are made available to the FAA in a timely manner so that the FAA has an opportunity to address them.

We encourage the public to comment on the DEIS and related documents. You can submit your comments verbally or in writing at the Public Information Workshop and/or Public Hearing or you can also submit your comments in writing to the FAA at the address listed in the section entitled **FOR FURTHER INFORMATION CONTACT**. The comment period will close on November 24, 2008.

In addition to the Public Information Workshop and Public Hearing being conducted to provide public involvement concerning the scope and content of the DEIS, they are also being conducted to provide public involvement and input in regard to historic resources in compliance with Section 106 of the National Historic Preservation Act of 1966—36 CFR 800.

Issued in Orlando, FL, on September 22, 2008.

W. Dean Stringer,

Manager, FAA, Orlando Airports District Office.
