SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the SAB Environmental Economics Advisory Committee will hold a public meeting to review EPA's revised *Guidelines for Preparing Economic Analyses* posted at <http://yosemite.epa.gov/EE/epa/erm.nsf/vwRepNumLookup/EE-0516?OpenDocument>. The SAB was established by 42 U.S.C. 4365 to provide independent scientific and technical advice to the Administrator on the technical basis for Agency positions and regulations. The SAB is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C., App. The SAB will comply with the provisions of

FACA and all appropriate SAB Staff Office procedural policies.

Background: The mission of the EEAC is to provide independent advice to the EPA Administrator, through the chartered SAB, regarding the economic analysis of EPA's decisions. EPA's National Center for Environmental Economics (NCEE) issued the *Guidelines for Preparing Economic Analyses* in September 2000 to represent Agency policy on the preparation of economic analysis called for under applicable legislative and administrative requirements. Subsequently, the EEAC provided advice on the 2000 *Guidelines for Preparing Economic Analyses* and issued an Advisory posted at [http://yosemite.epa.gov/sab/sabproduct.nsf/31C8A71147AF2AD28525719300562630/\\$File/eea99020.pdf](http://yosemite.epa.gov/sab/sabproduct.nsf/31C8A71147AF2AD28525719300562630/$File/eea99020.pdf). Over the past eight years, the literature has grown considerably and EPA has received new guidance from the Office of Management and Budget pertaining to the Agency's conduct of regulatory analysis. In response, NCEE has revised and updated the *Guidelines for Preparing Economic Analyses* and has requested the SAB's review.

Availability of Meeting Materials: Materials in support of this meeting, including an agenda and charge questions to the EEAC will be placed on the SAB Web site at <http://www.epa.gov/sab> prior to the meeting.

Abstract: Section 709(c) of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e-8(c), requires employers to make and keep records relevant to a determination of whether unlawful employment practices have been or are being committed and to make reports therefrom as required by the EEOC. Accordingly, the EEOC issued regulations, Title 29, Chapter XIV, Subpart B, § 1602.7, which set forth the reporting requirements for various kinds of employers. Employers in the private sector with 100 or more employees and some Federal contractors with 50 or more employees have been required to submit EEO-1 reports annually since 1966. The individual reports are confidential. EEO-1 data are used by EEOC to investigate charges of employment discrimination against employers in private industry and to provide information about the employment status of minorities and women. The data are shared with the Office of Federal Contract Compliance Programs (OFCCP), U.S. Department of Labor, and several other Federal agencies. Pursuant to § 709(d) of Title VII of the Civil Rights Act of 1964, as amended, EEO-1 data are also shared with eighty-six State and local Fair Employment Practices Agencies (FEPAs).

Burden Statement: The estimated number of respondents included in the annual EEO-1 survey is 45,000 private employers. The estimated number of establishment-based responses per reporting company is between 3 and 4 EEO-1 reports annually. The annual number of responses is approximately 170,000. The form is estimated to impose 599,000 burden hours annually. In order to help reduce survey burden, respondents are encouraged to report data electronically whenever possible.
