60	Deadline for submitting petition for intervention containing: (i) Demonstration of standing; (ii) all contentions whose formulation does not require access to SUNSI and/or SGI (+25 Answers to petition for intervention; +7 petitioner/requestor reply).
20	NRC staff informs the requester of the staff's determination whether the request for access provides a reasonable basis to believe standing can be established and shows (1) need for SUNSI or (2) need to know for SGI. (For SUNSI, NRC staff also informs any party to the proceeding whose interest independent of the proceeding would be harmed by the release of the information.) If NRC staff makes the finding of need for SUNSI and likelihood of standing, NRC staff begins document processing (preparation of redactions or review of redacted documents). Note: Before the Office of Administration makes an adverse determination regarding access, the proposed recipient must be provided an opportunity to correct or explain information.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: U.S. Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 12a-5; OMB Control No. 3235-0079; SEC File No. 270-85.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in: Rule 12a-5 (Temporary exemption of substituted or additional securities) (17 CFR 240.12a-5) and Form 26 (for notification of the admission to trading of a substituted or additional class of security under Rule 12a-5) (17

CFR 249.26) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Section 12(a) of the Exchange Act generally makes it unlawful for any security to be traded on a national securities exchange unless such security is registered on the exchange in accordance with the provisions of the Exchange Act and the rules and regulations thereunder.

Rule 12a-5 (the "Rule") under the Exchange Act and Form 26 (the "Form") were adopted by the Commission in 1936 and 1955, respectively, pursuant to Sections 3(a)(12), 10(b), and 23(a) of the Exchange Act. Subject to certain conditions, Rule 12a-5 affords a temporary exemption (generally for up to 120 days) from the registration requirements of Section 12(a) of the Exchange Act for a new security when the holders of a security admitted to trading on a national securities exchange obtain the right (by operation of law or otherwise) to acquire all or any

part of a class of another or substitute security of the same or another issuer, or an additional amount of the original security. The purpose of the exemption is to avoid an interruption of exchange trading to afford time for the issuer of the new security to list and register it, or for the exchange to apply for unlisted trading privileges.

Under paragraph (d) of Rule 12a-5, after an exchange has taken action to admit any security to trading pursuant to the provisions of the Rule, the exchange is required to file with the Commission a notification on Form 26. Form 26 provides the Commission with certain information regarding a security admitted to trading on an exchange pursuant to Rule 12a-5, including: (1) The name of the exchange, (2) the name of the issuer, (3) a description of the security, (4) the date(s) on which the security was or will be admitted to when-issued and/or regular trading, and (5) a brief description of the transaction pursuant to which the security was or will be issued.

The Commission generally oversees the national securities exchanges. This mission requires that, under Section

12(a) of the Exchange Act specifically, the Commission receive notification of any securities that are permitted to trade on an exchange pursuant to the temporary exemption under Rule 12a-5. Without the Rule and the Form, the Commission would be unable fully to implement these statutory responsibilities.

There are currently eleven national securities exchanges subject to Rule 12a-5. The Commission staff estimates that there could be one Form 26 filed every five years. The reporting burdens are not typically spread evenly among the exchanges. For purposes of this analysis of burden, however, the Commission staff has assumed that each exchange files an equal number of Form 26 notifications. Each notification requires approximately 20 minutes to complete. Accordingly, the Commission staff estimates the annual aggregate compliance burden for all respondents in a given year would be approximately 4 minutes (20 minutes/report \times .2 reports/year = 4 minutes), and for each respondent the annual compliance burden would be approximately .36 minutes (4 minutes/respondent \div 11 respondents = .36 minutes), or .006 hours.

Based on the most recent available information, the Commission staff estimates that the cost to respondents of completing a notification on Form 26 is, on average, \$43.23 per response. Therefore, the Commission staff estimates that the total annual related reporting cost per respondent is \$.86 (.02 responses/respondent/year \times \$43.23 cost/response), for a total annual related cost to all respondents of \$9.46 (\$.86 cost/respondent \times 11 respondents).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Extension:

Form N-54A; SEC File No. 270-182; OMB Control No. 3235-0237.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

- Form N-54A (17 CFR 274.53) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (the "Act"); Notification of Election to be Subject to Sections 55 through 65 of the Investment Company Act of 1940 (15 U.S.C. 80a-54 through 64) Filed Pursuant to Section 54(a) of the Act (15 U.S.C. 80a-53(a)).

Form N-54A is a notification to the Commission of election to be regulated as a business development company. A company making such an election only has to file a Form N-54A once.

It is estimated that approximately 6 respondents per year file with the Commission a Form N-54A. Form N-54A requires approximately 0.5 burden hours per response resulting from creating and filing the information required by the Form. The total burden hours for Form N-54A would be 3.0 hours per year in the aggregate. The estimated annual burden of 3.0 hours represents a decrease of 20.0 hours over the prior estimate of 23.0 hours. The decrease in burden hours is attributable to a decrease in the number of respondents from 46 to 6.

The estimate of average burden hours for Form N-54A is made solely for the purposes of the PRA and is not derived from a comprehensive or even

representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Lewis W. Walker, Acting Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov.
