SUPPLEMENTARY INFORMATION:

I. Background

Pursuant to the savings clause in the Homeland Security Act of 2002, Public Law 107-296, Section 1512, 116 Stat. 2310 (November 25, 2002), the Department of Homeland Security (DHS) and its components and offices have relied on preexisting Privacy Act systems of records notices for the collection and maintenance of records concerning files relating to employee grievances, appeals, and disciplinary action.

As part of its efforts to streamline and consolidate its Privacy Act record systems, DHS is establishing a new agency-wide system of records under the Privacy Act (5 U.S.C. 552a) for DHS grievances, appeals, and disciplinary actions. This will ensure that all components of DHS follow the same privacy rules for collecting and maintaining grievances, appeals, and disciplinary action records. DHS will use this system to collect and maintain records submitted to it by DHS personnel and others.

In accordance with the Privacy Act of 1974 and as part of DHS's ongoing effort to review and update legacy system of record notices, DHS proposes to consolidate four legacy record systems: Treasury/CS.077 Disciplinary Action Grievance and Appeal Case Files (66 FR

52984 October 18, 2001), Treasury/CS.159 Notification of Personnel Management Division When an Employee is Placed Under Investigation by the Office of Internal Affairs (66 FR 52984 October 18, 2001), FEMA/NETC-3 Records of Alleged Misconduct of Students Attending Training Courses at the National Emergency Training Center (55 FR 37182 September 7, 1990) and FEMA/PER-1 Grievance Records (55 FR 37182 September 7, 1990) into one DHS-wide system of records. DHS also proposes to partially consolidate Treasury/USSS.002 Chief Counsel Record System (66 FR 45362 August 28, 2001) into this system. This system will allow DHS to document all current and former DHS personnel who have been the subject of proposed or final disciplinary action, have filed a grievance or appeal, or have been suspected of misconduct. Categories of individuals, categories of records, and the routine uses of these legacy system of records notices have been consolidated and updated to better reflect the Department's grievances, appeals, and disciplinary action record systems. DHS is issuing a Notice of Proposed Rulemaking (NPRM) concurrent with this SORN elsewhere in the **Federal Register**. The exemptions for the legacy system of records notices will continue to be applicable until the final rule for this SORN has been completed. This consolidated system, titled Grievances, Appeals, and Disciplinary Action, will be included in the Department's inventory of record systems.

II. Privacy Act

The Privacy Act embodies fair information principles in a statutory framework governing the means by which the United States Government collects, maintains, uses, and disseminates individuals' records. The Privacy Act applies to information that is maintained in a "system of records." A "system of records" is a group of any records under the control of an agency for which information is retrieved by the name of an individual or by some identifying number, symbol, or other identifying particular assigned to the individual. In the Privacy Act, an individual is defined to encompass United States citizens and legal permanent residents. As a matter of policy, DHS extends administrative Privacy Act protections to all individuals where systems of records maintain information on U.S. citizens, lawful permanent residents, and visitors. Individuals may request access to their own records that are maintained in a system of records in the possession

or under the control of DHS by complying with DHS Privacy Act regulations, 6 CFR Part 5.

The Privacy Act requires that each agency publish in the **Federal Register** a description denoting the type and character of each system of records in order to make agency recordkeeping practices transparent, to notify individuals about the use of their records, and to assist the individual to more easily find files within the agency. Below is a description of the Grievances, Appeal, and Disciplinary Action System of Records.
