SUPPLEMENTARY INFORMATION: On October 10, 2008, the Edison Electric Institute (EEI) and the Nuclear Energy Institute (NEI) filed a joint motion for an extension of time to file comments in response to the Commission’s Order on Proposed Clarification issued September 18, 2008, in the above-referenced proceeding. (*Mandatory Reliability Standards for Critical Infrastructure Protection*, 124 FERC ¶ 61,247 (2008)

(Proposed Clarification)). EEI and NEI state that because a majority of their members will be required to implement CIP Reliability Standards and NRC cybersecurity requirements in accordance with the clarification to be issued in this docket and because of the complex of the issues addressed in the Proposed Clarification, additional time is needed to submit well-developed comments.

Upon consideration, notice is hereby given that an extension of time for filing comments is granted to and including November 3, 2008.
