

Affiliated Family may give instructions to reapportion their net debit caps among themselves, they cannot reallocate to any one Participant a debit cap that is greater than the DTC system calculated net debit cap for that Participant.

DTC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act¹⁰ and the rules and regulations thereunder applicable to DTC because it should assure the safeguarding of securities and funds in DTC's custody or control or for which it is responsible by increasing DTC's liquidity resources to enable it to complete settlement in the event of a failure of a financial family of affiliated Participants.

(B) Self-Regulatory Organization's Statement on Burden on Competition

DTC believes that the proposed rule change will not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The risk mitigation effects of the proposed change do not impose any unreasonable or inappropriate burden on competition. The revised net debit cap limits and increased Participant Fund are allocated among those entities whose interdependencies have raised concern.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The proposed rule change has been discussed with several Participants. Written comments relating to the proposed rule change have been received by DTC and are addressed by the proposed rule change. DTC will notify the Commission if it receives additional comments.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within thirty-five days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58770; File No. SR-NYSEArca-2008-103]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Its Schedule of Fees and Charges for Exchange Services That Apply to the Primary Order Plus Order

October 10, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 29, 2008, NYSE Arca, Inc. ("NYSE Arca" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NYSE Arca proposes to add new fees to the Schedule of Fees and Charges for Exchange Services (the "Schedule") that apply to the new Primary Only Plus ("PO+") Order type. The text of the proposed rule change is available at NYSE Arca, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements

¹¹ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A).

⁴ 17 CFR 240.19b-4(f)(2).

¹⁰ 15 U.S.C. 78q-1.

concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange recently filed for approval by the Commission a new order type known as the PO+ Order.⁵ The PO+ Order is an enhanced version of the Primary Only ("PO") Order, which is a market or limit order that is routed to the primary, listing market, without sweeping the NYSE Arca book.⁶ PO Orders are a form of directed order, and are only eligible for participation in the primary listing market's opening. The PO+ Order allows Equity Trading Permit ("ETP") Holders to route an order to the primary listing market at any time during the primary market's trading session. The PO+ Order is intended to provide additional flexibility and increased system functionality for NYSE Arca Users⁷ by modifying the operability and eligibility of PO Orders.

In anticipation of the approval of the PO Plus Order type filing by the Commission, the Exchange proposes to add new fees to the Schedule. The proposal establishes a fee of \$0.0008 for PO+ Orders routed to the NYSE during the core trading session that remove liquidity from the NYSE Order Book. No fee will be charged for Primary Only ("PO") and PO+ Orders routed to the NYSE for participation in the opening. Additionally, there will be no fee charged for PO+ Orders routed to the NYSE that provide liquidity the NYSE Order Book. The Exchange proposes a \$0.0004 per share fee for PO+ Market-On-Close and Limit-On-Close Orders routed to the NYSE. Finally, the Exchange proposes a \$0.0004 per share fee for odd-lots and partial odd-lots in

PO Orders and PO+ Orders routed to the NYSE.

The Exchange believes that the proposed fees will foster additional flexibility and increased system functionality for NYSE Arca Users. The Exchange further believes that the proposed fees and credits are reasonable and that the proposed changes to the Schedule are equitable in that they apply uniformly to our Users.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of Section 6(b) of the Act,⁸ in general, and Section 6(b)(4) of the Act,⁹ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes that the proposed fees and credits are reasonable. The proposed rates further the objectives of Regulation NMS by promoting competition and granting fair and equal access to all exchange participants. The Exchange also believes that the proposed changes to the Schedule are equitable in that they apply uniformly to our Users.

B. Self-Regulatory Organization's Statement on Burden on Competition

NYSE Arca does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change is effective upon filing pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁰ and Rule 19b-4(f)(2) thereunder,¹¹ because it establishes or changes a due, fee, or other charge applicable only to a member imposed by the Exchange. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is

necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Paper Comments

⁶ See NYSE Arca Equities Rule 7.31(x).

⁷ See NYSE Arca Equities Rule 1.1(yy) for the definition of "User." SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

e-Smart Technologies, Inc.; Order of Suspension of Trading

October 17, 2008.

It appears to the Securities and Exchange Commission that the public interest and the protection of investors require a suspension of trading in the securities of e-Smart Technologies, Inc. ("e-Smart," trading symbol ESMT). Questions have arisen concerning the accuracy and adequacy of publicly-available information about the company, particularly concerning: (1) e-Smart's statements concerning a large supply contract for 20 million units of its product, contained in a February 26, 2008, press release, a March 13, 2008, Current Report on Form 8-K and a May 15, 2008, news article, all of which are available on e-Smart's Web site; and (2) e-Smart's failure to make required periodic filings with the Commission of information required pursuant to the Securities Exchange Act of 1934 for any period since the period ending September 30, 2007. Questions have also arisen concerning a possible distribution of e-Smart's common stock without registration under the Securities Act of 1933.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period of 9:30 a.m. EDT on October 17, 2008, through 12:59 p.m. EDT on October 30, 2008.

By the Commission.

J. Lynn Taylor,

Assistant Secretary.
