Certain Hot-Rolled Carbon Steel Flat Products from Thailand: Extension of Time Limit for Final Results of Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce ("the Department") is extending the time limit for the final results of the changed circumstances review of the antidumping duty order on certain hot-rolled carbon steel flat products ("hot-rolled steel") from Thailand. The period of review is October 1, 2005, through September 30, 2006. This extension is made pursuant to 19 CFR 351.216(e).

FOR FURTHER INFORMATION CONTACT: John Drury or Angelica Mendoza, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0195 or (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:

BACKGROUND: On November 29, 2001, the Department published the antidumping duty order on hot-rolled steel from Thailand. *See Antidumping Duty Order: Certain Hot-Rolled Carbon Steel Flat Products From Thailand*, 66 FR 59562 (November 29, 2001) ("Hot-Rolled Steel Order"). In November 2004, in the course of the 2003 - 2004 administrative review, Sahaviriya Steel Industries Public Company Limited ("SSI") requested revocation of the Hot-Rolled Steel Order with respect to its sales of subject merchandise. *See Certain Hot-Rolled Carbon Steel Flat Products From Thailand; Preliminary Results of Antidumping Duty Administrative Review and Intent to*

Revoke and Rescind in Part, 70 FR 73197 (December 9, 2005).

In its revocation request, SSI agreed to immediate reinstatement in the Hot-Rolled Steel Order, so long as any producer or reseller is subject to the order, should the Department determine that SSI "sold the subject merchandise at less than normal value." See SSI's November 30, 2004, letter to the Department requesting revocation. On May 17, 2006, the Department revoked the antidumping duty order with respect to SSI after having determined that SSI sold the merchandise at not less than normal value for a period of at least three consecutive years.¹ See *Revocation*.

As the result of an adequate allegation from a domestic interested party in this proceeding (*i.e.*, United States Steel Corporation), the Department, pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended ("the Act"), is now conducting a changed circumstances review to determine whether SSI has resumed dumping hot-rolled steel and whether the antidumping order should be reinstated for hot-rolled steel from Thailand manufactured and exported by SSI. See *Initiation of Antidumping Duty Changed Circumstances Review: Certain Hot-Rolled Carbon Steel Flat Products from Thailand*, 73 FR 18766 (April 7, 2008).

Extension of Time Limits for Final Results

Under 19 CFR 351.216(e), the Department will issue the final results of a changed circumstances review within 270 days after the date on which the Department initiates the changed circumstances review. Currently, the final results of this antidumping duty changed circumstances review on hot-rolled steel from Thailand are due by December 23, 2008. Due to the nature of this changed circumstances review and the complexities of the issues, the Department finds that it is not practicable to complete the review within this time period. Moreover, the

¹ The three administrative reviews forming the basis of the revocation are: 1) the May 3, 2001, through October 31, 2002, review, *Certain Hot-Rolled Carbon Steel Flat Products From Thailand: Final Results and Partial Rescission of Antidumping Duty Administrative Review*, 69 FR 19388 (April 13, 2004); 2) the November 1, 2002, through October 31, 2003, review, *Certain Hot-Rolled Carbon Steel Flat Products from Thailand: Rescission of Antidumping Duty Administrative Review*, 69 FR 18349 (April 7, 2004); and 3) the November 1, 2003, through October 31, 2004, review, *Certain Hot-Rolled Carbon Steel Flat Products from Thailand: Final Results of Antidumping Duty Administrative Review, Partial Revocation of Antidumping Duty Order and Partial Rescission of Antidumping Duty Administrative Review*, 71 FR 28659 (May 17, 2006) ("*Revocation*").

Department plans to conduct verification of SSI's sales responses. As a result, pursuant to 19 CFR 351.302(b), we are extending the time limit for completion of the review by 120 days. See *Certain Pasta from Italy: Notice of Extension of Final Results of Antidumping Duty Changed Circumstances Review*, 73 FR 46871 (August 12, 2008), and *Polyethylene Terephthalate Film Sheet and Strip from the Republic of Korea: Extension of Time Limit for Final Results of Changed Circumstances Review*, 73 FR 6931 (February 6, 2008). Therefore, the final results will be due no later than April 22, 2009. The Department intends to issue the preliminary results of the changed circumstances review no later than December 23, 2008.

This notice is published in accordance with sections 751(b) and 771(i) of the Act.

Dated: October 23, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Certain Stainless Steel Butt-Weld Pipe Fittings from Taiwan: Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the final results of the administrative review of the antidumping duty order on certain stainless steel butt-weld pipe fittings from Taiwan. The period of review is June 1, 2006, through May 31, 2007. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).

EFFECTIVE DATE: October 29, 2008.

FOR FURTHER INFORMATION CONTACT: John Drury or Angelica Mendoza, Office 7, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone: (202) 482-0195 and (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 8, 2008, the Department published the preliminary results of the administrative review of the antidumping duty order on certain stainless steel butt-weld pipe fittings from Taiwan covering the period June 1, 2006, through May 31, 2007. See *Certain Stainless Steel Butt-Weld Pipe Fittings from Taiwan: Preliminary Results of Antidumping Duty Administrative Review and Notice of Intent to Rescind in Part*, 73 FR 38972 (July 8, 2008). The final results for the antidumping duty administrative review of certain stainless steel butt-weld pipe fittings from Taiwan are currently due no later than November 5, 2008.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Act requires the Department to issue the final results in an administrative review within 120 days of the publication of the preliminary results. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

In accordance with section 751(a)(3)(A) of the Act, and 19 CFR 351.213(h)(2), the Department finds that it is not practicable to complete the review within the original time frame (*i.e.*, by November 5, 2008). Specifically, the Department requires additional time to review complex issues raised in parties' case briefs including substantive comments relating to the respondent's qualification for a constructed export price offset and the Department's use of facts available with respect to certain aspects of respondent's cost reporting. Because it is not practicable to complete this administrative review within the time limit mandated by section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is extending the time limit for completion of the final results of this administrative review by 60 days, to no later than January 4, 2009. Because January 4, 2009 falls on a Sunday, the new deadline for the final results will be the next business day, Monday, January 5, 2009. See 19 CFR 351.303(b).

This notice is published pursuant to section 751(a)(3)(A) of the Act.
