Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. Federal funds may not be used to pay any royalty or licensing fee associated with such copyrighted material, although they may be used to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping. If revenues are generated through selling products developed with grant funds, including intellectual property, these revenues are program income. Program income is added to the grant and must be expended for allowable grant activities.

### C. Reporting and Accountability

The state/local implementation grants and the intermediary reentry grant will be subject to performance standards measuring their progress in meeting the goals of the grants. National goals will be set after grant award in the following areas:

- Reducing the recidivism rate of youth returning from out-of-home placements;
- Increasing the employment rate of returning juvenile offenders ages 18 and above;
- Increasing the rate which returning juvenile offenders ages 18 and above enter post-secondary education or training;
- Increasing the school retention rate of returning juvenile offenders under the age of 18;
- Increasing the rate which returning juvenile offenders under the age of 18 achieve a high school diploma.

The planning grants will not be subject to performance standards, but DOL/ETA staff will review the completed plans submitted by grantees and will provide comments and suggestions to the grantees regarding their plans. The plans submitted by these grantees will also be shared with other localities in the country.

Quarterly financial reports, quarterly progress reports, and MIS data will be submitted by the grantee electronically. Grantees must agree to meet DOL reporting requirements. The grantee is required to provide the reports and documents listed below:

Quarterly Financial Reports. A Quarterly Financial Status Report is required until such time as all funds have been expended or the grant period has expired, whichever is sooner. Quarterly reports are due 45 days after the end of each calendar year quarter. Grantees must use ETA's On-Line Electronic Reporting System;

information and instructions will be provided to grantees.

Quarterly Progress Reports. The grantee must submit a quarterly progress report based on a DOL template to its designated Federal Project Officer within 45 days after the end of each quarter. This report should provide a detailed account of activities undertaken during that quarter. The quarterly progress report should be in narrative form and should include:

1. In-depth information on accomplishments, including project success stories, upcoming grant activities, and promising approaches and processes.
  2. Progress toward meeting performance outcomes.
  3. Challenges being faced by the grantee in implementing the project.
- MIS Reports. Organizations will be required to submit updated MIS data within 45 days after the end of each quarter based on a DOL template that reports on enrollment, services provided, placements, outcomes, and follow-up status.

## NATIONAL SCIENCE FOUNDATION

### Proposal Review; Notice of Meetings

In accordance with the Federal Advisory Committee Act (Pub. L. 92-463, as amended), the National Science Foundation (NSF) announces its intent to hold proposal review meetings throughout the year. The purpose of these meetings is to provide advice and recommendations concerning proposals submitted to the NSF for financial support. The agenda for each of these meetings is to review and evaluate proposals as part of the selection process for awards. The review and evaluation may also include assessment of the progress of awarded proposals. The majority of these meetings will take place at NSF, 4201 Wilson, Blvd., Arlington, Virginia 22230.

These meetings will be closed to the public. The proposals being reviewed include information of a proprietary or confidential nature, including technical information; financial data, such as salaries; and personal information concerning individuals associated with the proposals. These matters are exempt under 5 U.S.C. 552(b)(3), (4) and (6) of the Government in the Sunshine Act. NSF will continue to review the agenda and merits of each meeting for overall compliance of the Federal Advisory Committee Act.

These closed proposal review meetings will not be announced on an individual basis in the **Federal Register**. NSF intends to publish a notice similar to this on a quarterly basis. For an advance listing of the closed proposal

review meetings that include the names of the proposal review panel and the time, date, place, and any information on changes, corrections, or cancellations, please visit the NSF Web site: <http://www.nsf.gov/events/advisory.jsp>. This information may also be requested by telephoning 703/292-8182.

Dated: November 12, 2008.

Susanne Bolton,

Committee Management Officer.

## NUCLEAR REGULATORY COMMISSION

[Docket No. 50-331]

### FPL Energy Duane Arnold, LLC; Notice of Receipt and Availability of Application for Renewal of Duane Arnold Energy Center Facility Operating License No. DPR-49 for an Additional 20-Year Period

The U.S. Nuclear Regulatory Commission (NRC or Commission) has received an application, dated September 30, 2008, FPL Energy Duane Arnold, LLC, filed pursuant to Section 104b of the Atomic Energy Act of 1954, as amended, and Title 10 of the Code of Federal Regulations Part 54 (10 CFR Part 54), to renew the operating license for the Duane Arnold Energy Center (DAEC). Renewal of the license would authorize the applicant to operate the facility for an additional 20-year period beyond the period specified in the current operating license. The current operating license for DAEC expires on February 21, 2014. DAEC is a boiling-water reactor designed by General Electric that is located in Palo, Iowa. The acceptability of the tendered application for docketing, and other matters including an opportunity to request a hearing, will be the subject of subsequent **Federal Register** notices.

Copies of the application are available to the public at the Commission's Public Document Room (PDR), located at One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852 or through the Internet from the NRC's Agencywide Documents Access and Management System (ADAMS) Public Electronic Reading Room under Accession Number ML082980481. The ADAMS Public Electronic Reading Room is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>. In addition, the application is available at <http://www.nrc.gov/reactors/operating/licensing/renewal/applications.html>. Persons who do not

have access to the Internet or who encounter problems in accessing the documents located in ADAMS should contact the NRC's PDR Reference staff at 1-800-397-4209, extension 4737, or by e-mail to [pdr@nrc.gov](mailto:pdr@nrc.gov).

Dated at Rockville, Maryland, this 7th day of November 2008.

For the Nuclear Regulatory Commission.

Brian E. Holian,

Director, Division of License Renewal, Office of Nuclear Reactor Regulation.
