SUPPLEMENTARY INFORMATION:**I. Background**

The Department of Labor through the Bureau of Labor Statistics (BLS) is responsible for the development and publication of occupational employment projections and related career information, including the education or training requirements for detailed occupations. These requirements are identified and estimated using one of two different systems developed by the Employment Projections program: the "education or training category" system and the "educational attainment cluster" system. Results from both systems are published in the Occupational Projections and Training Data and in a searchable database on the Employment Projections web site. Presenting data using two different systems has led to some confusion among customers of the Employment Projections program about which system to use and how to use them. BLS is currently soliciting comments on a proposal to revise the two systems into one integrated system.

II. Current Action

BLS proposes modifications to both the education or training category and the educational attainment cluster systems to more fully integrate the two. The old systems assigned an education cluster and/or an education, work experience, or on-the-job training category to each occupation. The modifications include eliminating the cluster data and rating each occupation on all three categories: education, on-the-job training, and work experience.

Access the detailed description of the proposed modification to the Employment Projections program education and training classification systems and examples of the new system at the following internet address: <http://www.bls.gov/emp/edunotice.htm>.

III. Desired Focus of Comments

Comments and recommendations are requested from the public on the following aspects of the proposed education and training system:

- The clarity of the new system of assigning an education, on-the-job training, and work experience category to each occupation.
- The clarity of the proposed education categories.

- The suitability of the new system to meet the needs of customers.
- The understanding of how the new system is to be used.
- The usefulness of the new integrated system compared to the old ones.

Signed at Washington, DC, this 12th day of November 2008.

*Chief, Division of Management Systems,
Bureau of Labor Statistics.*

NATIONAL CREDIT UNION ADMINISTRATION**Temporary Corporate Credit Union Liquidity Guarantee Program**

AGENCY: National Credit Union Administration (NCUA).

ACTION: Notice.

SUMMARY: This notice contains information about the National Credit

Union Administration's Temporary Corporate Credit Union Liquidity Guarantee Program (TCCULGP).

ADDRESSES: 1775 Duke Street, Alexandria, Virginia 22314.

FOR FURTHER INFORMATION CONTACT:

David Shetler, Senior Corporate Analyst, Office of Corporate Credit Unions, at the above address or telephone (703) 518-6646.

SUPPLEMENTARY INFORMATION:

On October 16, 2008, the National Credit Union Administration Board approved the TCCULGP. Under the terms of the TCCULGP, the National Credit Union Share Insurance Fund will guarantee certain unsecured debt of participating corporate credit unions issued from October 16, 2008 through June 30, 2009. Types of qualifying debt obligations generally include federal funds purchased, promissory notes, commercial paper, and unsubordinated unsecured notes.

NCUA's guarantee is subject to terms and conditions. In addition, corporate credit unions may elect not to participate in the TCCULGP, and those credit unions that do participate may elect not to offer the NCUA guarantee on all qualifying debt obligations.

To ensure that a particular debt obligation is covered by the guarantee, creditors wishing to take advantage of the NCUA guarantee must:

(1) Ensure the corporate credit union has elected to participate in the TCCULGP;

(2) Ensure the debt obligation qualifies for coverage under the terms and conditions of the TCCULGP, and

(3) Obtain and record a confirmation, issued by the participating corporate credit union contemporaneous with the issuance of the debt obligation, that the credit union intends that particular obligation to be guaranteed by the NCUA.

Once guaranteed by NCUA, qualifying debt will remain guaranteed until the debt is fully repaid.

NCUA will publish a list of participating corporate credit unions on the web on November 18, 2008 at <http://www.ncua.gov/CorporateCU/index.htm>.

For more information about the TCCULGP, including terms, conditions, and participants, interested parties may contact Senior Analyst Dave Shetler of the NCUA Office of Corporate Credit Unions.
