Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before January 20, 2009.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used

in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.372A; Statewide Longitudinal Data Systems

AGENCY: Institute of Education Sciences (IES), Department of Education.

ACTION: Notice reopening the Statewide Longitudinal Data Systems fiscal year (FY) 2009 competition.

SUMMARY: On June 26, 2008, we published in the **Federal Register** (73 FR 36305) a notice inviting applications for the Statewide Longitudinal Data Systems FY 2009 competition. That notice established a September 25, 2008, deadline date for eligible applicants to apply for funding under this program. As a result of the notice published on June 26, 2008, 34 eligible entities submitted applications. A number of applicants, however, experienced difficulty with submitting their applications electronically, and, as a result, a few applications were received shortly after the original deadline.

In order to ensure fairness and afford as many eligible applicants as possible an opportunity to be considered for funding under this program, we are reopening the Statewide Longitudinal Data Systems FY 2009 competition to eligible applicants that were not able to submit applications by the original deadline date. Thus, we will consider as received timely, all of the applications we received through Grants.gov to this date, and will consider as timely any additional applications or amendments submitted through paper submission by the new deadline date established in this notice. All information in the June 26, 2008 notice remains the same for new applications and revisions to previously submitted applications submitted in response to this reopening notice, except for the following updates to the **DATES** section and section V. *Submission of Applications.*
