

and creditworthiness assessment; and (5) make ministerial corrections.

Any person desiring to participate in this proceeding must file a motion to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). Texas Gas Transmission LLC; Notice of Technical Conference

November 13, 2008.

Take notice that the Commission will convene a technical conference in the above-referenced proceedings on Tuesday, December 2, 2008, at 10 a.m. (EDT), in a room to be designated at the offices of the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

The Commission's October 31, 2008 Order¹ directed that a technical conference be held to address the issues raised by Texas Gas Transmission LLC's (Texas Gas) October 1, 2008 tariff filings in (i) Docket No. RP09-3-000 to establish new Effective Fuel Retention Percentages and to modify its fuel tracking mechanism, and (ii) in Docket Nos. RP09-7-000 *et al.*, to implement an experimental fuel savings sharing mechanism.

Commission Staff and interested persons will have the opportunity to discuss all of the issues raised by Texas Gas's tariff filings. Specifically, Texas Gas should be prepared to address all the concerns raised in the protests, and if necessary, to provide additional technical, engineering and operational support for its proposals. Any party proposing alternatives to Texas Gas's proposals should also be prepared to similarly support its position.

FERC conferences are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations please send an e-mail to accessibility@ferc.gov or call toll free (866) 208-3372 (voice) or 202-502-8659 (TTY), or send a fax to 202-208-2106 with the required accommodations.

All interested persons are permitted to attend. For further information please contact Andrew Knudsen at (202) 502-6527 or e-mail Andrew.Knudsen@ferc.gov.
