Members will be selected by the incoming Secretary of Agriculture in order to achieve a balanced representation of viewpoints to address effectively USDA biotechnology policy issues under consideration. Nominations for AC21 membership must be in writing and provide the appropriate background documents required by USDA policy, including background disclosure form AD-755. All nomination materials should be sent to Michael Schechtman at the address listed in the **ADDRESSES** section. Forms may also be submitted by fax to (202) 690-4265. Members of the AC21 and its subcommittees serve without pay, but with reimbursement of travel expenses and per diem for attendance at AC21 and subcommittee functions for those AC21 members who require assistance in order to attend the meetings. While away from home or their regular place of business, those members will be eligible for travel expenses paid by the Office of the Under Secretary, Research, Education, and Economics, USDA, including per diem in lieu of subsistence, at the same rate as a person employed intermittently in the government service is allowed under Section 5703 of Title 5, United States Code.
