SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon written request, copies available from: U.S. Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 12d2-2, SEC File No. 270-86, OMB Control No. 3235-0080, Form 25.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for approval of extension of the existing collection of information provided for the following rule: Rule 12d2-2 (17 CFR 240.12d2-2) and Form 25 (17 CFR 249.25).

On February 12, 1935, the Commission adopted Rule 12d2-2,¹ and Form 25 under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Act"), which sets forth the conditions and procedures under which a security may be delisted from an exchange and withdrawn from registration under Section 12(b) of the Act.² The Commission adopted amendments to Rule 12d2-2 and Form 25 in 2005.³ Under the adopted Rule 12d2-2, all issuers and national securities exchanges seeking to delist and deregister a security in accordance with the rules of an exchange must file the adopted version of Form 25 with the Commission. The Commission also adopted amendments to Rule 19d-1 under the Act to require exchanges to file the adopted version of Form 25 as notice to the Commission under Section 19(d) of the Act. Finally, the Commission adopted amendments to exempt options and security futures from Section 12(d) of the Act. These amendments are intended to simplify the paperwork and procedure associated with a delisting and to unify general

rules and procedures relating to the delisting process.

The Form 25 is useful because it informs the Commission that a security previously traded on an exchange is no longer traded. In addition, the Form 25 enables the Commission to verify that the delisting has occurred in accordance with the rules of the exchange. Further, the Form 25 helps to focus the attention of delisting issuers to make sure that they abide by the proper procedural and notice requirements associated with a delisting. Without Rule 12d2-2 and the Form 25, as applicable, the Commission would be unable to fulfill its statutory responsibilities.

There are ten national securities exchanges that trade equity securities that will be respondents subject to Rule 12d2-2 and Form 25.⁴ The burden of complying with Rule 12d2-2 and Form 25 is not evenly distributed among the exchanges, however, since there are many more securities listed on the New York Stock Exchange, the NASDAQ Stock Exchange, and the American Stock Exchange LLC than on the other exchanges. However, for purposes of this filing, the Commission staff has assumed that the number of responses is evenly divided among the exchanges. Since approximately 994 responses under Rule 12d2-2 and Form 25 for the purpose of delisting equity securities are received annually by the Commission from the national securities exchanges, the resultant aggregate annual reporting hour burden would be, assuming on average one hour per response, 994 annual burden hours for all exchanges. In addition, since approximately 371 responses are received by the Commission annually from issuers wishing to remove their securities from listing and registration on exchanges, the Commission staff estimates that the aggregate annual reporting hour burden on issuers would be, assuming on average one reporting hour per response, 371 annual burden hours for all issuers. Accordingly, the total annual hour burden for all respondents to comply with Rule 12d2-2 is 1,365 hours. The related costs associated with these burden hours are \$76,177.50.

The collection of information obligations imposed by Rule 12d2-2 and Form 25 are mandatory. The response will be available to the public and will not be kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information

unless it displays a currently valid control number.

Extension: Rule 19d-2; OMB Control No. 3235-0205; SEC File No. 270-204.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58966; File No. SR-CHX-2008-15]

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Participant Fees and Assessments

November 17, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 7, 2008, the Chicago Stock Exchange, Inc. ("CHX" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the CHX. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CHX proposes to amend its Schedule of Participant Fees and Assessments (the "Fee Schedule") to alter the take/provide charges for Tape B securities. The text of this proposed rule change is available on the Exchange's Web site at http://www.chx.com/rules/proposed_rules.htm, at the principal office of the Exchange, and in the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CHX included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received regarding the proposal. The text of these statements may be examined at the places specified in Item IV below. The CHX has prepared

summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Changes

1. Purpose

Through this filing, the Exchange would amend its Fee Schedule to discontinue the existing program setting forth a higher provide credit of \$0.0036/share for transactions in Tape B securities if certain volume thresholds had been met. Moreover, the transaction fee for liquidity takers in Tape B securities is being raised to \$0.0030/share from the current level of \$0.0029/share. All liquidity providers in Tape B securities would qualify for a credit of \$0.0032/share, regardless of its average daily trading volume. The Exchange believes that these proposed fee changes are more consistent with its long-term goals of incenting firms to trade using our facilities at rates which do not expose the Exchange to potential losses or capital outlays.

2. Statutory Basis

The Exchange believes that the rule changes proposed in this submission are consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b). The proposed rule change is consistent with Section 6(b)(4) of the Act in that it provides for the equitable allocation of reasonable dues, fees and other charges among its Participants. The proposed increase in the liquidity takers fee in Tape B securities is of \$0.0001/share, which is a relatively modest amount. The increased revenue will be used to fund the Exchange's existing operations, which may in turn benefit its Participants. Finally, the discontinuance of the two-tiered fee structure for liquidity providers in Tape B securities fee streamlines the Exchange's Fee Schedule and related billing structure, as well as eliminates a program which potentially exposed the Exchange to large and costly rebates to Participant firms.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule changes will impose any burden on competition.
