GENERAL SERVICES ADMINISTRATION

Multiple Award Schedule Advisory Panel; Notification of Public Advisory Panel Meetings

AGENCY: U.S. General Services Administration (GSA).

ACTION: Notice.

SUMMARY: The U.S. General Services Administration (GSA) Multiple Award Schedule Advisory Panel (MAS Panel), a Federal Advisory Committee, will hold a public meeting on the following date: Monday, December 8, 2008. GSA utilizes the MAS program to establish long-term Governmentwide contracts with responsible firms to provide Federal, State, and local government customers with access to a wide variety of commercial supplies (products) and services.

* Session Closed-Exempt pursuant to 5 U.S.C. 552b(c)(8) and (9).

The MAS Panel was established to develop advice and recommendations on MAS program pricing policies, provisions, and procedures in the context of current commercial pricing practices. The Panel will be developing recommendations for MAS program pricing provisions for the acquisition of (1) professional services; (2) products; (3) total solutions which consist of professional services and products; and (4) non professional services. In developing the recommendations, the Panel will, at a minimum, address these 5 questions for each of the 4 types of acquisitions envisioned above: (1) Where does competition take place?; (2) If competition takes place primarily at the task/delivery order level, does a fair and reasonable price determination at the MAS contract level really matter?; (3) If the Panel consensus is that competition is at the task order level, are the methods that GSA uses to determine fair and reasonable prices and maintain the price/discount relationship with the basis of award customer(s) adequate?; (4) If the current policy is not adequate, what are the recommendations to improve the policy/guidance; and (5) If fair and reasonable price determination at the MAS contract level is not beneficial and the fair and reasonable price determination is to be determined only at the task/delivery order level, then what is the GSA role?

To that end, the Panel would like to hear from the many stakeholders of the MAS program. The MAS program stakeholders include, but not limited to, ordering agency contracting officers, GSA contracting officers, schedule contract holders, Congress, program

managers, General Accountability Office, and Federal agency Inspector General Offices. The panel is particularly interested in stakeholder views as to how the issues discussed above may relate differently to the purchase of goods, services, or goods and services that are configured to propose an integrated solution to an agency's needs. Written comments may be submitted at any time in accordance with the guidance below.

The meeting will be held at U.S. General Services Administration, Federal Acquisition Service, 2200 Crystal Drive, Room L1301, Arlington, VA 22202. The location is within walking distance of the Crystal City metro stop. The meeting start time is 9:00 a.m., and will adjourn no later than 5:00 p.m.

For presentations before the Panel, the following guidance is provided:
