Unfunded Mandates

This rule will not impose an unfunded mandate on State, local, or tribal governments or the private sector of \$100 million or more in any given year. This determination is based upon the fact that the Pennsylvania submittal, which is the subject of this rule, is based upon counterpart Federal regulations for

which an analysis was prepared and a determination made that the Federal regulation did not impose an unfunded mandate.

Department of the Navy

32 CFR Part 706

Certifications and Exemptions Under the International Regulations for Preventing Collisions at Sea, 1972

AGENCY: Department of the Navy, DoD.
ACTION: Final rule.

SUMMARY: The Department of the Navy is amending its certifications and exemptions under the International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), to reflect that the Deputy Assistant Judge Advocate General (Admiralty and Maritime Law) of the Navy has determined that USS LOUISVILLE (SSN 724) is a vessel of the Navy which, due to its special construction and purpose, cannot comply fully with certain provisions of the 72 COLREGS without interfering with its special function as a naval ship. The intended effect of this rule is to warn mariners in waters where 72 COLREGS apply.

DATES: This rule is effective December 1, 2008 and is applicable beginning 19 November 2008.

FOR FURTHER INFORMATION CONTACT: Commander M. Robb Hyde, JAGC, U.S. Navy, Deputy Assistant Judge Advocate General (Admiralty and Maritime Law), Office of the Judge Advocate General, Department of the Navy, 1322 Patterson Ave., SE., Suite 3000, Washington Navy Yard, DC 20374-5066, telephone number: 202-685-5040.

SUPPLEMENTARY INFORMATION: Pursuant to the authority granted in 33 U.S.C. 1605, the Department of the Navy amends 32 CFR part 706.

This amendment provides notice that the Deputy Assistant Judge Advocate General (Admiralty and Maritime Law) of the Navy, under authority delegated by the Secretary of the Navy, has certified that USS LOUISVILLE (SSN 724) is a vessel of the Navy which, due to its special construction and purpose, cannot comply fully with the following specific provisions of 72 COLREGS without interfering with its special function as a naval ship: Rule 21(a) pertaining to the location of the masthead lights over the fore and aft centerline of the ship. The Deputy Assistant Judge Advocate General (Admiralty and Maritime Law) has also certified that the lights involved are located in closest possible compliance with the applicable 72 COLREGS requirements.

Moreover, it has been determined, in accordance with 32 CFR parts 296 and 701, that publication of this amendment

for public comment prior to adoption is impracticable, unnecessary, and contrary to public interest since it is based on technical findings that the placement of lights on this vessel in a manner differently from that prescribed herein will adversely affect the vessel's ability to perform its military functions.

AGENCY: Copyright Royalty Board, Library of Congress.

ACTION: Final rule.

SUMMARY: The Copyright Royalty Judges announce a cost of living adjustment (“COLA”) of 3.7% in the royalty rates that colleges, universities, and other nonprofit educational institutions that are not affiliated with National Public Radio pay for the use of published nondramatic musical compositions in the ASCAP, BMI and SESAC repertoires. The COLA is based on the change in the Consumer Price Index from October 2007 to October 2008.

DATES: *Effective Date:* January 1, 2009.

FOR FURTHER INFORMATION CONTACT: LaKeshia Brent, CRB Program Specialist. Telephone: (202) 707-7658.

sculptural works in connection with noncommercial broadcasting. Terms and rates for this compulsory license, applicable to parties who are not subject to privately negotiated licenses, are published in 37 CFR parts 253 and 381.

Final regulations governing the terms and rates of copyright royalty payments with respect to certain uses by public broadcasting entities of published nondramatic musical works, and published pictorial, graphic, and sculptural works for the license period beginning January 1, 2008, and ending December 31, 2012, were published in the **Federal Register** on November 30, 2007.² Pursuant to these regulations, on or before December 1 of each year the Judges shall publish a notice of the change in the cost of living as determined by the Consumer Price Index (all urban consumers, all items (“CPI-U”)) during the period from the most recent index published prior to the previous notice, to the most recent index published prior to December 1 of that year.³ The regulations also require that the Judges publish a revised schedule of rates for the public performance of musical compositions in the ASCAP, BMI, and SESAC repertoires by public broadcasting entities licensed to colleges and universities, reflecting the change in the CPI-U.⁴ Accordingly, the Judges are hereby announcing the change in the CPI-U and applying the annual COLA to the rates set out in 37 CFR 381.5(c).

The change in the cost of living as determined by the CPI-U during the period from the most recent index published before December 1, 2008, to the most recent index published before
