Notice of Lodging of Stipulated Orders Under the Clean Water Act and the Safe Drinking Water Act

Notice is hereby given that on November 19, 2008, two Stipulated Orders for Preliminary Injunctive Relief ("Stipulated Orders") in *United States v. Commonwealth Utilities Corporation and the Commonwealth of the Northern Mariana Islands*, Civil Action No. 08-0051, were lodged with the United States District Court for the Commonwealth of the Northern Mariana Islands. The Commonwealth Utilities Corporation ("CUC") is a public corporation that owns and operates the Agingan and Sadog Tasi Sewage Treatment Plants and associated wastewater collection and conveyance systems, public water systems, and power plants located in the Commonwealth of the Northern Mariana Islands ("CNMI").

The Complaint, which was filed concurrently with the lodging of the Stipulated Orders, alleges that CUC violated the Clean Water Act ("CWA"), 33 U.S.C. 1251-1387, as amended by the Oil Pollution Act, 33 U.S.C. 2701-2762; and the Safe Drinking Water Act ("SDWA"), 42 U.S.C. 300f-300j-26. The Complaint joins CNMI as a statutory defendant under Section 309(e) of the CWA, 33 U.S.C. 1319(e). CNMI is also a signatory to the Stipulated Orders.

Stipulated Order One is intended to ensure that CUC's wastewater and drinking water systems achieve compliance with the CWA and SDWA. The major components of Stipulated Order One are: (1) The reformation of CUC's management, finances, and operations; (2) the development of a wastewater and drinking water Master Plan; and (3) the construction of wastewater infrastructure. CUC is also required to take steps to comply with National Pollution Discharge

Elimination System permits and compliance orders, comply with drinking water standards, and to eliminate spills from the wastewater system.

Stipulated Order Two is intended to ensure that CUC's power plant facilities achieve compliance with the CWA. These requirements include requiring CUC to eliminate oil spills, implement appropriate spill prevention measures, implement effective inspection procedures for its oil storage facilities, provide containment for oil storage facilities and prepare appropriate operating plans.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the Stipulated Orders. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. Ref. 90-5-1-1-08471.
