#### **SUPPLEMENTARY INFORMATION:**

*Title:* Grey Towers Visitor Comment Card.

*OMB Number:* 0596-New.

*Type of Request:* New.

*Abstract:* The Forest Service is proposing a new information collection for a visitor comment card to be used at Grey Towers. Located in Milford, Pennsylvania, Grey Towers was originally the summer estate of the James Pinchot family and later the primary home of Gifford Pinchot, America's first forester and founder of the USDA Forest Service. In 1963, Gifford Bryce Pinchot, son of Gifford and Cornelia, donated Grey Towers and 102 acres to the U.S. Forest Service, the Federal agency founded by his father and which now administers the site.

The U.S. Forest Service works with numerous partners to carry on the Pinchot legacy by delivering public programs, interpretive tours, and conservation education programs. Embracing a philosophy of preservation through use, Grey Towers, in partnership with the Pinchot Institute, also functions as an active conference center for conservation and natural resource issues. Today, conferences and seminars at the estate bring together a diversity of leading conservation and environmental thinkers to help guide the future of natural resource conservation.

Grey Towers strives to provide quality-based programs and events; and participant input is vital to achieving this goal. The proposed comment card
