

request for extension of the previously approved collection of information discussed below.

Rule 498 of the Securities Act of 1933 (17 CFR 230.498) permits open-end management investment companies (or a series of an investment company organized as a series company, which offers one or more series of shares representing interests in separate investment portfolios) ("funds") to provide investors with a "profile" that contains a summary of key information about a fund, including the fund's investment objectives, strategies, risks and performance, and fees, in a standardized format. The profile provides investors the option of buying fund shares based on the information in the profile or reviewing the fund's prospectus before making an investment decision. Investors purchasing shares based on a profile receive the fund's prospectus prior to or with confirmation of their investment in the fund.

Consistent with the filing requirement of a fund's prospectus, a profile must be filed with the Commission thirty days before first use. Such a filing allows the Commission to review the profile for compliance with Rule 498. Compliance with the rule's standardized format assists investors in evaluating and comparing funds.

It is estimated that approximately 16 initial profiles and 274 updated profiles are filed with the Commission annually. The Commission estimates that each profile contains on average 1.25 portfolios, resulting in 20 portfolios filed annually on initial profiles and 343 portfolios filed annually on updated profiles. The number of burden hours for preparing and filing an initial profile per portfolio is 25. The number of burden hours for preparing and filing an updated profile per portfolio is 10. The total burden hours for preparing and filing initial and updated profiles under Rule 498 is 3,930, representing an increase of 749 hours from the prior estimate of 3,181. The increase in burden hours is attributable to the higher number of profiles actually prepared and filed as compared to the previous estimates.

The estimates of average burden hours are made solely for the purposes of the Act and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms.

The collection of information under Rule 498 is required to obtain a benefit. The information provided by Rule 498 is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection

of information unless it displays a currently valid control number.
