SUPPLEMENTARY INFORMATION:**Background**

On May 7, 2008, the Department published a notice of preliminary results of its changed-circumstances review of the antidumping duty order on ball bearings and parts thereof from Germany in which it preliminarily determined that myonic GmbH is the successor-in-interest to MKL and should be accorded the same treatment previously accorded MKL with regard to the antidumping duty order on ball bearings and parts thereof from Germany. On May 21, 2008, the petitioner, the Timken Company (Timken), submitted a case brief. Myonic submitted a rebuttal brief on June 17, 2008.

Analysis of the Comments Received

All issues raised in the case and rebuttal briefs by parties to this changed-circumstances review are addressed in the "Issues and Decision Memorandum" (Decision Memo) from Stephen J. Claeys, Deputy Assistant Secretary, to David M. Spooner, Assistant Secretary, dated December 1, 2008, which is hereby adopted by this notice. A list of the issues which parties have raised and to which we have responded is in the Decision Memo and attached to this notice as an Appendix. The Decision Memo, which is a public document, is on file in the Central Records Unit (CRU), main Department of Commerce building, Room 1117, and is accessible on the Web at <http://ia.ita.doc.gov/frn/index.html>. The paper copy and electronic version of the Decision Memo are identical in content.

Final Results of Changed-Circumstances Review

After consideration of the comments, we continue to find that myonic is the successor-in-interest to MKL and, as such, is entitled to MKL's cash-deposit rate with respect to entries of subject merchandise. Consequently, we will instruct U.S. Customs and Border Protection (CBP) to apply the cash-deposit rate in effect for MKL to all

entries of the subject merchandise from myonic that were entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this changed-circumstances review. See *Granular Polytetrafluoroethylene Resin from Italy: Final Results of Antidumping Duty Changed Circumstances Review*, 68 FR 25327 (May 12, 2003).

This determination and this notice are in accordance with sections 751(b)(1) and 777(i)(1) of the Act and 19 CFR 351.216.

Dated: December 1, 2008.

David M. Spooner,
Assistant Secretary for Import Administration.

Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Extension of Time Limit for the Final Results of the Expedited Sunset Review of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: December 10, 2008.

FOR FURTHER INFORMATION CONTACT: Matthew Renkey, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-2312.

SUPPLEMENTARY INFORMATION:**Background**

On July 1, 2008, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on certain frozen fish fillets from the Socialist Republic of Vietnam ("Vietnam") pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). See *Initiation of Five-year ("Sunset") Review*, 73 FR 37411 (July 1, 2008). Based on an adequate response from the domestic interested party and an inadequate response from the respondent interested party, the Department is conducting an expedited sunset review to determine whether revocation of the antidumping duty order would lead to the continuation or

recurrence of dumping, pursuant to section 751(c)(3)(B) of the Act and section 351.218(e)(1)(ii)(C)(2) of the Department's regulations. See Letters to the International Trade Commission regarding the Sunset Reviews of the AD/CVD Orders Initiated in July 2007, dated July 22, 2008, and August 20, 2008. On October 31, 2008, the Department published a notice extending the time limit for the completion of the final results of this review by 40 days until December 8, 2008. See *Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Extension of Time Limit for the Final Results of the Expedited Sunset Review of the Antidumping Duty Order*, 73 FR 64913 (October 31, 2008).

Extension of Time Limits for Final Results

In accordance with section 751(c)(5)(B) of the Act, the Department may extend the 120-day time period for making its determination by not more than 90 days, if it determines that a review is extraordinarily complicated. As set forth in section 751(c)(5)(C)(i) of the Act, the Department may treat a sunset review as extraordinarily complicated if there are a large number of issues, as is the case in this proceeding. Therefore, the Department has determined, pursuant to section 751(c)(5)(C)(i) of the Act, that the first sunset review of frozen fish fillets from Vietnam is extraordinarily complicated. Accordingly, the Department is extending the time limit for the completion of the final results by an additional 50 days, from December 8, 2008, to no later than January 27, 2009, in accordance with section 751(c)(5)(B) of the Act.

This notice is published pursuant to sections 751(c)(5)(B) and 777(i)(1) of the Act.

Dated: December 3, 2008.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Correction

On October 29, 2008, the Department of Commerce published a notice of extension of time limit for the final results of the antidumping duty changed circumstances review of the order on certain hot-rolled carbon steel flat products from Thailand. See *Certain Hot-Rolled Carbon Steel Flat Products from Thailand: Extension of Time Limit for Final Results of Changed Circumstances Review*, 73 FR 64303 (October 29, 2008) ("*Extension Notice*"). Subsequent to the publication of the *Extension Notice* in the **Federal Register**, we identified an inadvertent error.

This notice is published in accordance with section 777(i) of the Act.

Dated: December 2, 2008.
