

sale and conveyance of the Federally-owned mineral interests in the above-described tracts of land. Publication of this notice segregates, subject to valid existing rights, the Federally-owned mineral interests in the land referenced above in this notice from appropriation under the general mining and mineral leasing laws, while the application is being processed to determine if either one of the two specified conditions exists and, if so, to otherwise comply with the procedural requirements of 43 CFR Part 2720. The segregative effect shall terminate: (i) Upon issuance of a patent or other document of conveyance as to such mineral interests; (ii) upon final rejection of the application; or (iii) two years from the date of filing the application, whichever occurs first.

The previously published **Federal Register** notice of Monday, December 17, 2007, at page 71430, in Volume 72, No. 241, states that the tracts of land described therein are situated in Nevada County. Nevada County is not correct. Humboldt County is the correct name of the county.
