Title of Proposal: Training Evaluation Form.

OMB Control Number: 2577—
Pending.

Description of the need for the information and proposed use: On September 19, 2005 (70 FR 54983), HUD published a final rule amending the regulations of the Public Housing Operating Fund Program at 24 CFR part 990, which was developed through negotiated rulemaking. Part 990 provides a new formula for distributing operating subsidy to public housing agencies (PHAs) and establishes requirements for PHAs to convert to asset management.

Subpart H of the part 990 regulations (§§ 990.255 to 990.290) establishes the requirements regarding asset management. Under § 990.260(a), PHAs that own and operate 250 or more dwelling rental units must operate using an asset management model consistent with the subpart H regulations. However, for calendar year 2008, that regulation is superseded by § 225 of Title II of Division K of the Consolidated Appropriations Act, 2008, Public Law 110-161 (approved December 26, 2007). Under that law, PHAs that own or operate 400 or fewer units may elect to transition to asset management, but they are not required to do so.

The Consolidated Appropriations Act, 2008, Public Law 110-161, also provided “ * * * \$5,940,000 for competitive grants and contracts to third parties for the provision of technical assistance to public housing agencies

related to the transition and implementation of asset-based management in public housing.” The contract now in effect will provide for web-based training, on-site seminars and on-site technical assistance to assist PHAs in implementing asset management. The Training Evaluation Form will be used by the Office of Public and Indian Housing to determine how the training and technical assistance can be improved to meet PHA needs.

Agency form number, if applicable: Pending.

Members of affected public: Public housing agencies.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: The estimated number of respondents is 29,288 annually with one response per respondent. The average number for each response is .033 hours, for a total reporting burden of 966 hours.

Status of the proposed information collection: New collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: December 1, 2008.

Bessy Kong,

Deputy Assistant Secretary for Policy, Programs and Legislative Initiatives.
