

RECORD ACCESS PROCEDURES:

Individuals seeking to access records about themselves contained in this system should address requests to the Commander who initiated the investigation, or that Commander's successor in command, at the Commander's installation office.

Requests should provide their full name, mailing address, and proof of identity.

CONTESTING RECORD PROCEDURES:

The Air Force rules for accessing records, and for contesting contents and appealing initial agency determinations are published in Air Force Instruction 33-332; 32 CFR part 806b; or may be obtained from the system manager.

RECORD SOURCE CATEGORIES:

Complainants, subjects, reports of investigations, witnesses, third parties, state and local governments and agencies, other Federal agencies, Members of Congress, and civilian police reports. Information from almost any source can be included if it is relevant and material to the investigation, inquiry, or subsequent command action.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

Investigatory material compiled for law enforcement purposes, other than material within the scope of subsection 5 U.S.C. 552a(j)(2), may be exempt pursuant to 5 U.S.C. 552a(k)(2). However, if an individual is denied any right, privilege, or benefit for which he would otherwise be entitled by Federal law or for which he would otherwise be eligible, as a result of the maintenance of the information, the individual will be provided access to the information exempt to the extent that disclosure would reveal the identity of a confidential source.

Note: When claimed, this exemption allows limited protection of investigative reports maintained in a system of records used in personnel or administrative actions.

An exemption rule for this system has been promulgated in accordance with requirements of 5 U.S.C. 553(b)(1), (2), and (3), (c) and (e) published in 32 CFR part 806b. For additional information contact the system manager.
