Summary of Order

1. On May 20, 2008, the Rural Cellular Association (RCA) filed a Petition for Rulemaking (*Petition*) asking the Commission to "initiate a rulemaking to investigate the widespread use and anticompetitive effects of exclusivity arrangements between commercial wireless carriers and handset manufacturers, and, as necessary, adopt rules that prohibit such arrangements when contrary to the public interest." The Commission issued a *Public Notice* on October 10, 2008, seeking comments on the *Petition*. Comments and reply comments were due on December 2, and December 22, 2008, respectively, 72 FR 63127, October 23, 2008.

2. On November 20, 2008, RCA and CTIA—The Wireless Association filed a

joint request (*Request*) for a 60-day extension of the comment and reply comment deadlines "to enable the Associations and their members to continue industry discussions regarding the issues raised in the RCA Petition with the goal of reaching an agreement among interested parties on the issues raised * * * or, at the very least, narrowing the issues for Commission consideration." No party opposed the *Request*.

3. It is the policy of the Commission that extensions of time are not routinely granted. In the instant case, however, we find that providing a limited extension will serve the public interest by allowing parties to discuss the complex issues at stake and develop consensus approaches where possible. Accordingly, we are granting the *Request* by extending the deadline for all comments and reply comments to February 2, and February 20, 2009, respectively.

4. Pursuant to section 4(i) of the Communications Act of 1934, as amended, 47 U.S.C. 154(i), and 1.46 of the Commission's rules, 47 CFR 1.46, the Rural Cellular Association and CTIA—The Wireless Association Joint Request for Extension of Comment and Reply Comment Deadlines, filed on November 20, 2008, is granted, and the deadline for filing comments in response to the *Public Notice* is extended to February 2, 2009, and until February 20, 2009, to file reply comments.

5. This action is taken under delegated authority pursuant to Sections 0.131 and 0.331 of the Commission's Rules, 47 CFR 0.131 and 0.331.

Federal Communications Commission.
